5.4. the application for admission is endorsed by the Head of applicant’s employing organization;

6. ADMISSION TEST AND RESEARCH PLAN

The University shall admit the candidates by a two stage process through:

6.1. Each candidate shall be required to take a Teerthankaer Mahaveer University Research Aptitude Test (TRAT). The syllabus of TRAT shall consist of 50% questions on Research Methodology and 50% questions shall be subject specific. The Entrance Test (TRAT) will be conducted at the Centre(s) notified in advance (change of Centre, if any, shall be notified well in advance) twice a year (2nd Saturday of January and July). In case of holiday, the next working day will be the date of the admission test.

*Note:* Presently TRAT is held only at the University campus, Moradabad.

The TRAT intends to test the basic capability of the candidate to undertake research work. A minimum score of 50 percent shall be required to clear the test under each category i.e. Research Methodology and subject specific and be eligible to present the research plan to the CRC.

*Note:* Candidates who have qualified UGC-NET (including JRF)/UGC-CSIR NET (including JRF)/SLET/Teacher fellowship holder or have passed M.Phil programme are exempted from the University TRAT.

6.2. On clearance of the entrance test (TRAT), the applicant needs to send six copies of statement of research purpose/synopsis, within three months of declaration of TRAT result, to CRC mentioning the topic of his proposed research and objectives of the work that the candidate intends doing on the subject or topic (Indicative format for the same is as Annexure – C).

6.3. Candidate shall be required to discuss his/her research plan before the College Research Committee, justifying his/her suitability to pursue research which will consider the following aspects, viz:

(a) the candidate possesses the competence for the proposed research;
(b) the research work can be suitably undertaken at the College;
(c) the proposed area of research can contribute to new/additional knowledge.

CRC will also convey its views on the additional course paper, including the subject, if needed, that the candidate may have to undertake in addition to the three mandatory papers during course work.

6.4. On basis of the contents of the Research Plan and the presentation, the CRC shall either recommend the case for consideration of the concerned BOS, or, may ask the candidate to make a fresh presentation of the Research Plan. The CRC shall give its recommendations on the prescribed format. *(Annexure – D).*

6.5. A candidate will ordinarily be allowed two attempts for presentation before the CRC. In case the Research Plan of a candidate is not approved, a third attempt may be allowed only with the approval of the Vice-Chancellor on the specific recommendation of the CRC, justifying the reasons for an extra attempt. Under no
circumstances the duration of approval of research plan would exceed eighteen months from the date of TRAT result.

6.6. While recommending the Research Plan, the CRC will also recommend the supervisor(s) of the thesis in line with the qualification under Clause 9.

7. REGISTRATION AS A RESEARCH SCHOLAR

7.1. After the acceptance of the Research Plan and the name of Supervisor(s) of a candidate by the CRC, the case shall be submitted to the BOS for its consideration and approval. The BOS would normally meet in the third week of January and July each year. If an approval is not accorded by the BOS, then such candidate may submit his/her case for fresh for approval through the CRC, taking into consideration the views of the BOS, and presenting a fresh/modified Research Plan.

7.2. On the approval of the CRC and BOS, the candidate will receive a letter of offer of admission from URCC against which s/he will be required to deposit the fees as prescribed by the University (Annexure – E). A candidate shall be formally registered as a Research Scholar with effect from the date on which s/he has deposited the required fee with the University. A formal letter of registration of the candidate would be issued by the URCC.

7.3. A candidate shall be required to renew his/her Registration every year in the manner prescribed by paying the fees as prescribed by the University from time to time.

8. COURSE WORK

8.1. All research scholars admitted to the Ph.D. programme shall be required to complete the prescribed course work during the initial two semesters from the date of the registration. The credits assigned to the Ph.D. course work shall be a minimum of 12 credits and maximum of 16 credits. The research scholar shall be evaluated at the end of the course work. The research scholar has to pass the coursework with minimum 55% marks.

8.2. The course work shall be treated as a prerequisite for completion of Ph.D. programme. Registered students will be required to take a minimum of three courses and up to a maximum of four courses (of 4 credits each) as per the decision of the College Research Committee.

8.3. The following 12 credit courses are mandatory for a student to complete during two semesters starting from the date of registration:
   (a) One course on Research Methodology (4 Credits),
   (b) One course on Quantitative Methods and Computer Applications (4 Credits),
   (c) Review of literature in the area of research to be evaluated by the external examiner and CRC through a seminar/ presentation (4 Credits).

Additional course where recommended by URCC under Clause 6.3:
   (d) Advance level course preparing the student for the field of research (4 credits).

8.4. The research scholar shall be required to carry out intensive research on the approved topic. At the end of the first semester from the date of registration, the scholar shall be required to submit a Term Paper and present the same to the CRC. At this stage the scholar will have an option to review the topic of research and if
recommended by the CRC/BOS, the same shall be considered final after seeking due approval. Further change in the topic would be allowed on the recommendation of CRC/BOS only in exceptional cases and with the approval of the Vice Chancellor.

(ii) Only papers in above referred journal with faculty as the first or second author only would be considered as valid papers.
(iii) Provided further, that in areas/ disciplines where there is no or only a limited number of refereed journals, the URCC may relax the above condition for recognition of a faculty member as Research Supervisor with reasons recorded in writing, duly routed through the BOS, and due approval of the Vice Chancellor. The Academic Council would be notified of the same from time to time.

9.1. Only a full time regular teacher of the University can act as a supervisor. External supervisor(s) are not allowed. However, a Co-supervisor can be allowed from other institutions with available Research facility with the recommendation of CRC and approval of the Vice Chancellor.

9.2. The allocation of Research Supervisor for a research scholar shall be decided by the CRC of the concerned College, depending upon the number of scholars per Research Supervisor, the available specialization among the Supervisors and research interests of the scholar as indicated by him/her at the time of presentation before the CRC.

9.3. In case of topics which are of inter-disciplinary nature, where the CRC of the concerned College feels that the expertise in the College has to be supplemented from outside, the concerned College shall appoint a Research Supervisor from the College itself, who shall be known as Research Supervisor, and a Co-Supervisor from outside the College or University on such terms and conditions as may be specified and agreed upon by the consenting Co-supervisor and his/her Institution/College.

9.4. An approved Research Supervisor/ Co-Supervisor who is a Professor, at any given point of time, can guide not more than Eight (8) Ph.D. scholars. An Associate Professor as Research Supervisor can guide up to a maximum of six (6) Ph.D. scholars and an Assistant Professor as Research Supervisor can guide up to a maximum of four (4) Ph.D. scholars.

9.5. The BOS, on the recommendation of the CRC, shall consider the names of the Supervisor/Co-supervisor for approval.

9.6. A change of Supervisor/co-supervisor shall be permitted in case of inability or non-availability of the Supervisor. The BOS, on recommendation of the CRC, shall seek approval from the Vice Chancellor for appointment of a Caretaker Supervisor/ reallocation of supervisor.

9.7. In case of relocation of a Ph.D. woman scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the University to which the scholar intends to relocate provided all the other conditions in these regulations are followed in letter and spirit and the research work does not pertain to the project...
secured by the parent institution/ supervisor from any funding agency. The scholar will however give due credit to the parent Research Supervisor/ Co-supervisor and the Teerthanker Mahaveer University for the part of research already done.

9.8. In case of relocation of a Ph.D. woman scholar due to marriage or otherwise, from another University to Teerthanker Mahaveer University, the research data would be used to further proceed with the research work, if allowed to be transferred by the University where the scholar was originally registered and the guidelines of UGC were followed in letter and spirit. The scholar will give due credit to the parent Research Supervisor/ Co-supervisor and the parent University for the part of research already done. In case the transfer of research data is not allowed the scholar case will be reviewed by the CRC and BOS and approval to proceed further will be sought from the Vice Chancellor.

10. PERFORMANCE MONITORING

10.1. There shall be a Research Advisory Committee for each Ph.D. scholar. The Research Supervisor of the scholar shall be the Convener of the Committee. This Committee shall have the following responsibilities:
(a) To review the research proposal and finalize the topic of research;
(b) To guide the research scholar to develop the study design and methodology of research and identify the course (s) that he/she has to do;
(c) To periodically review and assist in the progress of the research work of the research scholar.

10.2. The academic/research progress of each research scholar will be regularly monitored by the RAC. A research scholar shall appear before the CRC once in six months to make a presentation of the progress of his/ her work for evaluation and further guidance. The six monthly progress reports will be submitted by CRC to the URCC with a copy to the research scholar and RAC.

The Semester Progress Review Meeting shall be held as specified in the Academic Calendar in the second week of January and July each year. A student cannot skip a presentation without prior permission, subject to a maximum of two presentations in the complete duration. The RAC must record the progress of the research in the Semester Progress Review form and submit it to CRC (Annexure – F).

10.3. The CRC after having considered the progress report of each research scholar shall recommend any of the following:
(i) Continuation of registration, or
(ii) Continuation of registration and issuance of a warning to the research scholar and making recommendation of steps necessary to improve his/her performance in consultation with the supervisor(s) or
(iii) Termination of registration.

If the research scholar is issued a warning letter, two times, the minimum registration period for allowing a candidate to submit the thesis shall be increased by one semester every time a warning has been issued.

Copy of the same would be sent to the scholar, supervisor and the URCC for records in the scholar’s file.
11. DURATION OF THE PROGRAMME

Ph.D. programme shall be of a minimum duration of three years, including coursework and a maximum of six years.

11.1. The minimum period of programme after which a research scholar can submit the thesis shall be three years from the date of registration.

11.2. A research scholar shall normally be allowed to submit his thesis within a maximum period of six (6) years. However, in exceptional cases, this limit may be extended by the Vice-Chancellor by a maximum period of one year, on specific request from the research scholar duly recommended by the CRC.

11.3. The Women candidates and Persons with Disability (more than 40% disability) shall be allowed a relaxation of two years for Ph.D. programme in the maximum duration of six (6) years. In addition, the women candidates shall be provided Maternity Leave/ Child Care Leave once in the entire duration of Ph.D. programme for up to 240 days.

12. EVALUATION AND ASSESSMENT METHODS, MINIMUM STANDARDS/ CREDITS FOR THE AWARD OF THE DEGREE PRE-THESIS SUBMISSION PRESENTATION

12.1. Upon satisfactory completion of course work, and obtaining the credits prescribed in Clause 8, as the case may be, the Ph.D. scholar shall be required to undertake research work and produce a draft thesis within stipulated time as per this ordinance.

12.2. A pre-thesis submission presentation by the research scholars before the CRC is an essential requirement. On completion of the research work, the research scholar shall submit eight copies of the summary of his research work including bibliography, two copies of the draft thesis, copy of the research publications related to the thesis and one CD containing draft thesis to the CRC through his/ her supervisor(s) and make a presentation at which faculty members and other research scholars/students may be present. CRC will invite all University Colleges/ Departments for the pre-thesis presentation.

12.3. The research scholar shall be required to submit his/ her thesis within three months from the date of pre-thesis submission presentation by the research scholars. However, in case a candidate fails to submit his/ her thesis within the stipulated time and has suitable justification for the same, the Director/Principal/Head of the College may, on recommendations of the CRC, grant an extension of not more than three months, i.e., the research scholar may be allowed to submit his/ her thesis within a period not exceeding six months from the date of pre-thesis submission presentation.

12.4. The research scholar will be required to submit his/her declaration and a certificate from his/ her supervisor(s) in the prescribed format countersigned by the Director/Principal/Head of the College vouching that the plagiarism is within the permitted limit and that the work embodied in the thesis titled “________________________” is original and has been carried out by the research scholar and that it has not been submitted in full or in part for any other diploma or degree of this or any other University. A certificate indicating the similarity index...
generated by the certified Anti-Plagiarism tool used by the University has to be included in the thesis duly countersigned by the Principal/ Director/ Head of the College (Annexure – J).

13. APPOINTMENT OF EXAMINERS

13.1. (a) A panel of ten experts of Professor level in the area of research work which may include experts from outside India would be suggested by the supervisor(s) and placed before the CRC for its recommendations. The CRC may delete/add any of the name(s) proposed by the supervisor(s).

(b) A person from the same Institution where the research scholar is employed cannot be appointed as an external examiner. Further, a person from a laboratory/institution/approved research centre to which the Co-supervisor of the research scholar belongs, cannot be appointed as an external examiner.

13.2. On receipt of the draft thesis, the Director/Principal/Head of the College/Department shall send the panel of examiners as approved by the CRC to the Controller of Examination who shall get the Board of Examination approved from the Vice Chancellor. The Board shall consist of one internal examiner from amongst the supervisor(s), and two external examiners from India or abroad. However, out of the two external examiners selected, at least one shall be from outside the state of Uttar Pradesh. The examiners shall normally be chosen from the panel of examiners recommended by the CRC. In case one or more external examiners so appointed decline to examine the thesis, another external examiner shall be appointed out of the panel. In case the panel gets exhausted, the CRC shall recommend additional names.

14. THESIS SUBMISSION

14.1. The thesis shall be a piece of research work characterized either by discovery of new facts or enunciation of a new theory or theories or by fresh interpretation of known facts or development of equipment making a distinct advancement in instrument technology. It should bear evidence of the research scholar’s capacity for analysis and sound judgment as well as his ability to carry out independent investigation, design or development. The thesis has to be supplemented by published work, mandatorily. No part of the thesis or supplementary published work shall have been submitted for the award of any other diploma or degree anywhere. The thesis must contain a Declaration by the research scholar, a Certificate signed by the supervisors and CRC chairperson and a Plagiarism Verification form (Annexure H, I and J)

14.2. The thesis shall be written in English, other than research work carried out in languages, in specified format in accordance with the instructions contained in Annexure – G of this Ordinance, until otherwise required by the specific discipline. In case the thesis to be submitted is written in language other than English, the same shall be approved by the Vice Chancellor on the recommendation of the CRC/BOS.
14.3. A research scholar may submit his/her thesis within the stipulated time period, provided s/he has:
(a) Completed the minimum period of registration as provided in Clause 11 of this Ordinance.
(b) Published minimum of two research papers in refereed journals of which at least one should be published in databases such as Scopus, Web of Science, PubMed and Indian Citation Index or as notified by UGC from time to time. However, if the research paper(s) has been accepted for publication, the same shall be treated as under publication and the CRC can recommend the submission of the thesis. The candidate is also required to make two paper presentations in conferences/ seminars, of which one should be conference/ seminar other than in house, before the submission of thesis for adjudication, and produce evidence for the same in the form of presentation certificates and/or reprints.

14.4. Five hard copies of the thesis in soft binding along with two copies of CD shall be submitted in the College/Department, where the Research Scholar has been registered. The same shall be forwarded to the COE for evaluation. In case a research scholar is being supervised by more than one supervisor, appropriate number of additional copies must be prepared to provide them one copy each.

15. EVALUATION

15.1. Evaluation of Thesis
(a) Thesis shall be sent for evaluation only after the plagiarism verification report is found to be within the acceptable norms of the University.
(b) Each examiner will be requested to submit a detailed assessment report and his/her recommendations on a prescribed performa to the COE within three months from the date of receiving the thesis.
(c) In case the assessment report is not received from an external examiner within four months, the Vice-Chancellor may appoint another external examiner from the panel of examiners for evaluating the thesis.
(d) Each examiner shall be required to state categorically whether in his/her individual opinion, the thesis should be:
   i) accepted for the award of Ph.D. degree, or
   ii) referred to the research scholar for submission in the revised form, or
   iii) rejected.

   The examiner shall state the reasons for recommending/resubmission/rejection of the thesis. If resubmission is recommended, the examiner(s) shall specifically indicate the modifications that need to be incorporated in the thesis by the research scholar.
(e) On receipt of reports from all the examiners the COE shall place them before the members of RDC who will pursue the reports and recommend one of the following:
   i) If the examiners are unanimous that the thesis be accepted for the award of the degree, the research scholar would be required to appear for oral defence.
ii) If the examiners are unanimous that the thesis be submitted in a revised form then the research scholar would be informed to submit the revised thesis incorporating the suggestions/views from the examiners.

iii) If the examiners are unanimous that the thesis should be rejected then the research scholar will be informed accordingly and the research scholar shall be declared ineligible for the award of Ph.D. degree.

iv) If there is no unanimity between examiners, an additional external expert shall be appointed as examiner to evaluate the thesis. If the report of the latest examiner is also ‘rejected’, the thesis shall be rejected and the research scholar shall be declared ineligible for the award of Ph.D. degree. Should there be comments for modification the research scholar will undertake the necessary modifications and re-submit the thesis.

In case of Clause 15.1 (d) (ii) above, the COE in consultation with Director/Principal/Head of the College shall also provide to the research scholar a list of all corrections and modifications required in the thesis, including suggestions made by the external examiners during the thesis evaluation. The research scholar shall incorporate all suggestions and changes and submit the same to the CRC for review and approval for re-consideration of the thesis by the RDC.

15.2. Oral Defence

(a) A research scholar, whose thesis is recommended for acceptance in accordance with the provision of Clause 15.1 (d) (i) on the basis of thesis evaluation, shall be required to defend his work/thesis orally before a duly constituted committee, hereinafter referred to as Oral Defence Committee (ODC) during working hours of the University at the University premises. Any deviation from this procedure should have prior permission of the Vice-Chancellor.

(b) ODC shall consist of the Director/Principal/Head of the concerned College, the supervisor(s), and at least one of the two external examiners, and shall be open to be attended by Members of the URCC, CRC, all faculty members of the College/Department, other research scholars and other interested experts/researchers from the University. The external examiner invited for oral defence examination shall submit his report in the prescribed Performa to the COE.

(c) On the completion of all the stages of the examination, the COE shall put before the RDC, the report of the ODC to approve one of the following:

i) that the degree of Ph.D. be awarded, or

ii) that the research scholar be re-examined at a later specified time in a specified manner, or

iii) that the degree of Ph.D. not be awarded.

The research scholar shall incorporate all suggestions and changes as discussed in the ODC and submit the same to the CRC for review and approval for submission of the thesis after incorporating the suggestions/changes. The research scholar shall, thereafter, submit two hard-bound copies and two CDs
of the thesis incorporating all necessary corrections/modifications. The COE will ensure that the electronic copy of the Ph.D. thesis is submitted to INFLIBNET within seven days of receipt of the CDs from the research scholar. The RDC will meet not before fifteen days of submission of the electronic copy to INFLIBNET.

16. AWARD OF THE DEGREE

16.1. The Degree shall be awarded by the University provided that:
   (a) The RDC so approves,
   (b) The research scholar produces a “No Dues Certificate” in the prescribed form (Annexure – L),
   (c) The research scholar has submitted two hard bound copies of the thesis; one for the College Library and one for the Central Library and two soft copies in CD ROM in the structure prescribed by Shodhganga, INFLIBNET. These should incorporate all necessary corrections/modifications and have the consent of the CRC.
   (d) The date of RDC approval shall be the date of completion of the degree.

Prior to the actual award of the degree, the University shall issue a Provisional Certificate to the effect that the Degree has been awarded in accordance with the provisions of the UGC Regulations, 2016.

16.2. Hard bound copies and CD ROM of the Ph.D. thesis, submitted after the oral defence examination, must contain the following copyright certificate in the beginning of the thesis, on a separate page on the left side:
