**CTLD**

# Centre for Teaching, Learning & Development

[www.tmu.ac.in](http://www.tmu.ac.in)

## **Vision**

To be a Centre of Excellence for Behavioral, Aptitude & Employability Skills training to Students and add value to the education delivery through continuous Employee Development Programmes.

## **Mission**

To foster a Global Mindset in the Students to face real-world challenges and to nurture & cultivate better Cognitive, Aptitude, Social, and Behavioral Skills in the Students and Employees to meet their personal and professional goals.

## **Objective**

The objective of CTLD is to focus on fostering holistic development across various domains, which includes the development of behavioral skills in faculty and staff, enhancing soft skills and grooming in the personality of students, building quantitative aptitude among students, strengthening their reasoning ability, and improving their verbal communication skills.

## **About CTLD**

Established in 2019, the Centre for Teaching, Learning & Development (CTLD) bridges the gap between academic learning and real-world applications, fostering holistic growth for students, faculty, and staff. It aims to empower individuals by providing tailored programs that promote both personal and professional development.

## **Why CTLD ?**

CTLD was constituted with the purpose of training students, faculty and staff in essential soft skills, aptitude skills, and behavioral competencies. For students, it offers comprehensive placement readiness programs, including group discussions, presentations, resume building, and interview preparation, ensuring they transition confidently into the professional world. Additionally, CTLD supports faculty and staff through Faculty Development Programmes (FDP), Staff Development Programmes (SDP), and workshops focusing on ICT tools, Outcome-Based Education (OBE), emotional intelligence, managerial competencies, and IT skills, enhancing their effectiveness in dynamic academic and professional environments.

# USPs

- **Holistic Approach** : A comprehensive method addressing academic, personal, and professional development, combining soft skills, aptitude skills, and emotional well-being.
- **OBE** : Outcome-Based Education aligns learning objectives with measurable outcomes, ensuring students can apply concept spractically in real-world scenarios.
- **ICT** : Integrating Information and Communication Technology tools in education, using Learning Management Systems and virtual labs for teaching.
- **FDPs** : Faculty Development Programs enhance teaching capabilities, workshops on pedagogy, research methodologies, and ICT tools.
- **Centre of Counselling for Competitive Examination** : Specialized sessions to counsel and guide students for exams like GATE or CAT, e.g., quantitative aptitude and reasoning practice.
- **Super 30** : Focused guidance for talented students from under served backgrounds, intensive campus preparation.
- **SDPs** : Staff Development Programs improve administrative and technical skills, e.g., training on office automation and team collaboration.
- **Mentoring Sessions** : Providing guidance for academic, personal, and career challenges, e.g., stress management and career planning workshops.
- **Faculty Pool** : A team of experienced educators and industry experts.
- **Company Specific Trainings** : Tailored programs aligned with industry needs, specifically with training on skills and processes for top recruiters.

Successfully Trained and Placed Students

# Achievements

**More than 1780+ Faculty Members Trained Since 2019**

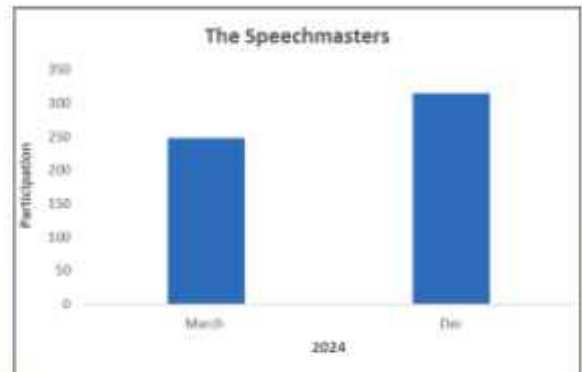

**More than 340+ Staff Members Trained Since 2019**

# Flagship Events

## Speech Masters

Speechmasters is a university level public speaking competition which provides students to face their fears and stand up to embark upon a journey of becoming confident in different aspects of Public Speaking. Two versions of the event has been organised helping hundreds of students coming out of their comfort zone and enhancing their communication abilities. innovative ideas. By fostering critical thinking and effective communication, Crossroads continues to empower participants to become thought leaders and change makers.

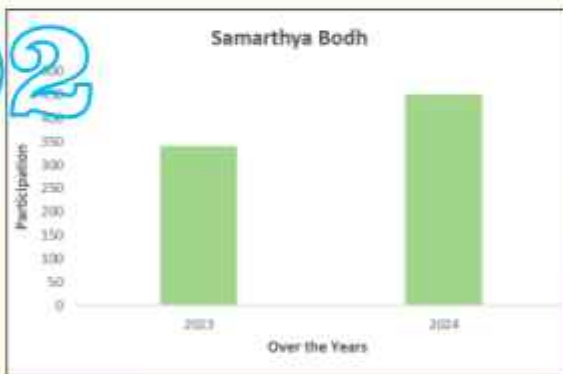

01

## Samarthya Bodh

Samarthya Bodh is a complete end to end mock placement drive for students. It gives students the opportunity to gauge their potential, strengths and weaknesses and to work upon them before appearing for the real and final placement drive.

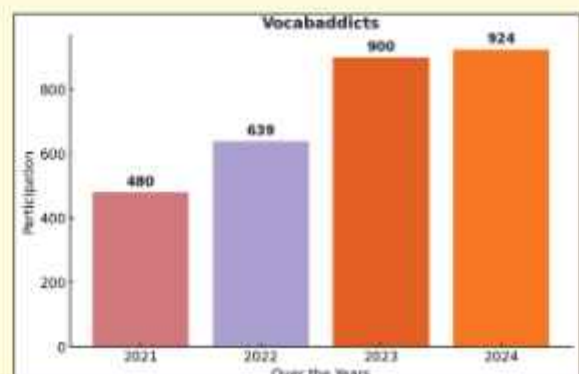

02

## Vocabaddicts

The legacy competition and event of Centre for Teaching, Learning and Development. This event is completely focussed on enhancing the vocabulary of our students and hence improving their ability to communicate effectively and becoming articulate. The most popular contest among students and has seen it's four massively successful runs since its inception.

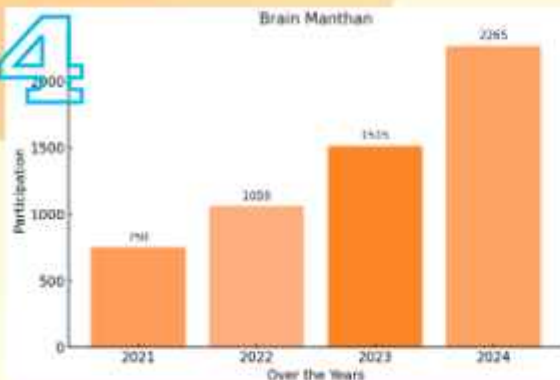

03

## Brain Manthan

A competitive event with special focus on developing analytical thinking, logical reasoning and problem solving skills of our students. Students in the team are exposed to various rounds with ascending complexity and difficulty level evaluating the presence of mind and mental agility of the participants.

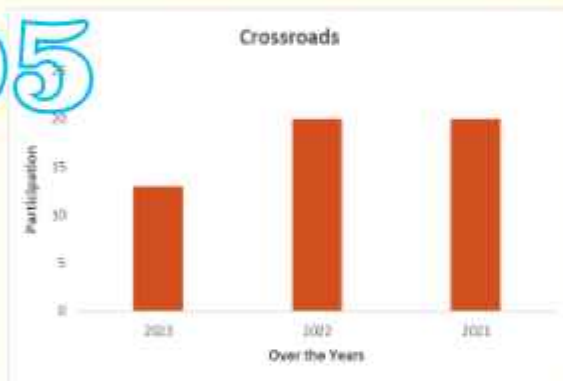

04

## Crossroads

Crossroads, the flagship presentation competition by CTLD, has tackled a wide range of compelling topics. From the impact of artificial intelligence and sustainability to mental health awareness and ethical dilemmas, the competition encourages participants to explore pressing global issues and

05

## Outcome Based Education (OBE) Training

OBE Training, conducted since 2021, has been instrumental in equipping faculty with the principles of Outcome-Based Education. With a focus on aligning teaching methods, assessments, and learning outcomes, the training empowers educators to enhance student-centric learning. Since its inception, more than 889 faculty members have been trained, reflecting CTLD's commitment to academic excellence and innovation in education.

06

# Faculty Development Programme

Faculty Development Programmes (FDPs) organized since 2019, have been pivotal in enhancing teaching effectiveness and professional growth. Covering a wide range of topics such as innovative pedagogy, research methodology, digital tools for education, and emotional intelligence, these programmes aim to empower educators with modern skills and knowledge. To date, more than 1780, faculty members have benefitted from these initiatives, fostering a culture of continuous learning and excellence.

# Staff Development Programme

Staff Development Programmes (SDPs) conducted since 2019, focus on enhancing the skills and efficiency of non-teaching staff. Covering topics such as professional communication, time management, workplace ethics, and the use of technology, these programmes aim to build a more capable and adaptive workforce. Over 340 staff members have benefitted from these initiatives, reflecting CTLD's commitment to holistic institutional growth.

# Information Communication & Technology (ICT) Training

ICT Trainings being conducted since 2023, designed to enhance digital literacy and technological proficiency among faculty and staff. Covering topics such as advanced computer applications, virtual collaboration tools, and online teaching tools, these trainings empower participants to integrate technology effectively into their roles. Since their inception, more than 300 individuals have benefitted, driving innovation and efficiency across the university.

# Student Testimonials

“ First of all I want to thank to the ctld department. My experience with the CTLD training sessions has been incredibly enriching. The trainers brought expertise, enthusiasm, and practical insights that made each session engaging and impactful. The training was not only informative but also transformational, equipping me with new skills and strategies I could immediately apply to my work. I gained a deeper understanding of the core concepts, and the trainers fostered an environment that encouraged growth and continuous learning. This experience has significantly enhanced my confidence and capabilities, and I am truly grateful for the guidance and support provided by the CTLD team.

**Mudit Jain**  
BCA 2nd Year

“ Being part of the CTLD department has been one of the most meaningful experiences of my life. The mentors here have not only guided me but have truly believed in me and my potential. They've inspired me to become the person I always aspired to be. I'm deeply grateful to the CTLD department and Charvee ma'am for their unwavering support and encouragement.

**Rishabh Kumar**  
BCA 3rd Year

“ As a 9th semester law student at the College of Law and Legal Studies under Teerthanker Mahaveer University, I am honored to share my experience on behalf of my batchmates regarding the exceptional training and guidance we have received from Mr. Prakash Jha, our soft skills trainer at the Center for Teaching, Learning, and Development (CTLD). Mr. Prakash Jha's teaching style is truly transformative. He possesses a unique ability to enhance essential soft skills such as communication, professional writing, teamwork and leadership while instilling confidence in students to express themselves. Through his sessions, he consistently encourages us to break out of our comfort zones, articulate our ideas freely, and actively engage in discussions.

**Varsha Aagoewal**  
BA-LLB(Hons.)-9

“ Its my immense pleasure to be a student of Highly skilled and efficient trainers of CTLD at "Teerthanker Mahaveer University, Moradabad". To achieve the holistic success, a candidate must be skilled in both: subjective knowledge as well as soft skills. The faculty of CTLD put their heart and soul to make their students industry ready, also they provide a unique platform to identify hidden talent through self development programs and competitions. As a student, I am indebted to CTLD department who served as spinal in shaping my career.

**Bhumika Gulati**  
BCA-A 2nd Year

“ The "Centre for Teaching, Learning and Development" sessions during my MBA journey is like an instrumental in shaping both my academic and personal growth. Activities such as "Brain Manthan, the Interview Round, and Speechmasters" are beyond engaging; those are transformative experiences. Each exercise pushed us to step out of our comfort zones, sharpen our skills, analytical skills, instill our confidence and embrace our potential. These are all led by our faculty "Prof. Atul Dayal Sir". His insights and encouragement made every session impactful, fostering a deep sense of confidence and clarity within us.

**Somya Kumari**  
MBA-A 1st Year

# Student Testimonials

“ I am immensely grateful to Anant Bhardwaj Sir and Pradeep Panwar Sir, my aptitude trainers, for their invaluable guidance and support, as well as to Ankit Sharma Sir, my communication trainer, who helped refine my communication skills. Special thanks to Anant Sir for encouraging me to participate in Brain Manthan 3.0, which marked a turning point in my journey. CTLD has not only strengthened my professional skills but also fostered confidence in my abilities, making me truly appreciate TMU's dedication to student development. Thank you to the entire CTLD department for being instrumental in my success.”

**Rajesh Nath Tyagi**  
B.Tech AI 3rd Year

“ CTLD has played a crucial role in my growth, thanks to my mentor, Mr. Shivam Kashyap. I have gained valuable insights by observing his personality and learning from him. The soft skill lessons in CTLD have significantly shifted my perspective on life. Through this program, I have understood the importance of effective communication, both professionally and personally. My presentation skills have greatly improved, and I am now more confident and expressive in speeches and class activities.

**Alankrit Verma**  
BBA 3rd Semester

“ Being a student of Teerthanker Mahaveer University, I'm obliged to be a part of CTLD Department which teaches us soft skills and aptitude subject which is very essential to shape our future. The subject aptitude is a game-changer for me. It accurately pinpointed my strengths and helped me focus my academic and career goals. The personalized recommendations have significantly enhanced my study strategies and problem-solving skills. I'm confident that this assessment has set me on the right path to academic and professional success and the soft skills course is a revelation.

**Ishita Agarwal**  
BCA 2nd Year

“ I am truly grateful to our CTLD teacher, Ankit Sir, and the entire class for the positive impact they've had on me, both personally and professionally. Looking back, I realize I've learned more than I ever expected—lessons that every person should experience. At first, I was hesitant to speak up and struggled with confidence, but Ankit Sir encouraged us by giving us the podium to express ourselves. His support helped me grow from shaky legs to confidently speaking in front of others. CTLD has given me the courage to take on challenges, speak up, and seize every opportunity with confidence.

**Astha Kushwaha**  
B.Sc. Agriculture

“ As a student at the University the Centre for Teaching Learning and Development has been instrumental in enhancing my academic experience. The core concept of CTLD is to make students learn the soft skills which are beneficial in personal as well as professional life. I am extremely thankful to my CTLD soft skill trainer Ms. Anvesha Sisodia Mam under whom guidance I am polishing my presentation skills, group discussion etiquettes, teamwork skills, collaboration skills which are needed to have a great career. With the help of various classroom activities, written, oral workshops and by mam's supportive nature and guidance I am feeling more confident and cherished.

**Udit Narayan Saraswat**  
BCA 2nd Year
