Subject: Change in Evaluation Scheme of Aptitude courses from Session 2022-23

**Need of Change:** Till July 2022, the status of CTLD courses was Value Added Courses (VAC). However, during NAAC preparation, it was brought to the notice of university authorities that these courses being skills enhancement courses cannot be kept as value add and needs to be kept as skills enhancement courses (SEC). Therefore, for programmes commenced from session 2022-23, these courses are converted to SEC category with one credit each.

For programmes older than session 2022-23, soft skills courses were in category of practical and Aptitude courses were in theory category. However, since Aptitude courses are also skills enhancement courses, hence need to be kept in practical category. Recently, during discussion with colleges coordinators it came out that practical courses cannot be evaluated through theory process as in practical category there is no provision of CTs and end semester examination tabs on ERP.

In view of above, following evaluation has been made from the academic session 2022-23 for Aptitude course:

### a) For Odd sem (2022-23)

CT-1, CT-2 are already conducted and marks are available with trainers. Hence, it is recommended that CT-3 and external examination be conducted as per old procedure for which CoE will give separate dates.

**Internal Evaluation = 50 marks**

Evaluation Scheme – Internal					
Activity	CT 1	CT 2	CT 3	Assignment	Attendance
Max Marks	30	30	30	10	10

- Marks of best 2 CTs (weightage of 15 marks each), attendance in class (10 marks) and an assignment (10 marks) would be considered.
- Each CT would be of 30 marks (30 Questions, 1 mark each, 1 hour duration).

- Faculty will calculate the marks of best 2 CTs **manually** and upload it on ERP under practical internal marks tagged as **Assignment 1 and Assignment 2** (weightage of 15 marks each) and one assignment as **Assignment 3** (10 marks).

**External = 50 marks**

Evaluation Scheme – External	
Activity	MCQ based Test on OMR
Max Marks	50

- Single Paper of 50 Questions, each carrying 1 mark and 75 min duration. Marks scored by students are to be uploaded on ERP under **viva tab**.

**b) From Even semester (2022-23)**

**Internal Evaluation = 50 marks** (40 marks Internal evaluation + 10 marks attendance)

Evaluation Scheme – Internal					
Activity	CA 1	CA 2	CA 3	CA 4	Attendance
Max Marks	10	10	10	10	10

- Marks of 4 Continuous Assessments (**total 40 marks**), attendance in class (**10 marks**) would be considered. Marks scored by students are to be uploaded on ERP under **internal evaluation tab**.
- Each CA would be of 10 marks and examine the internal course outcome during the class.

**External = 50 marks**

Evaluation Scheme – External
