THE UNIVERSITY

It is a privilege to present the tenth Annual Report for the academic session 2017-18 of the University. As is anticipated from an academic institution, Teerthanker Mahaveer University is performing well and maintaining its standard of excellence as a provider of top quality education.

The Teerthanker Mahaveer University, established by an 'Act' (No. 30) of 2008 of the Government of Uttar Pradesh, and approved by the University Grants Commission (UGC), since inception in 2008, vide letter No. F. 9-31/2008(CPP-1) dated October 27, 2008.

The University stands committed to the ideals of Lord Mahaveer - Right Philosophy, Right Knowledge, and Right Conduct - in all spheres of activity and aspires to be recognized as the ultimate destination for world-class education.

The multi-disciplinary University offers career oriented courses at all levels i.e. UG, PG and Doctoral degrees across diverse streams, namely, Medical, Dental, Pharmacy, Nursing, Paramedical Sciences, Physiotherapy, Hospital Administration, Physical Education, Engineering, Architecture, Polytechnic, Law, Journalism, Fine Arts, Language Studies, Jain Studies, Women Studies, Disability Studies, Directorate of Distance Education and Agriculture to meet rising aspirations of the youth. Our new strategic plan will ensure we continue improving in terms of education delivery and the flexibility of the degrees that we offer, and offering places to students from a wider diversity of backgrounds.

ABOUT THE FOUNDERS

Chancellor Shri Suresh Jain along with Group Vice Chairman Shri Manish Jain initiated the mammoth job of setting up of a world class University and the duo is incessantly engaged in the strategic planning to create an environment for providing not only quality education but also value added courses along with excellent communication and skills for better employment and entrepreneurship avenues enabling its students to find a meaningful place in the society.

VISION, MISSION & FOCUS AREAS

VISION

To be internationally recognized as a premier institution of excellence providing quality education, research opportunities, and consultancy services to the global society.

MISSION

Our endeavour is to impart knowledge and develop critical skills necessary to make the students succeed both in professional and personal life by promoting learning supported by world-class faculty, infrastructure, technology, curricula, collaborative teaching and research which is at par with premier institutions in India and abroad.

PRINCIPLES AND VALUES

The University stands committed to the ideals of Lord Mahaveer i.e. Right Philosophy, Right Knowledge, and Right Conduct.

These are followed in letter and spirit in planning and implementation of its programs and policies. The observances of these ideals are helping us in developing the manpower having a modern outlook towards the problems and their solutions and have foundation based on ideals given by Lord Mahaveer.

CONVERTING VISION INTO REALITY

The vision and mission are transformed in to reality by identifying the following focus areas:

RESEARCH & EXTENSION

Research and consultancy are the priority areas for the University as it is an integral part of the teaching-learning process. The University is committed to forging tie ups and collaborations with national and international institutions for teaching, research and exchange of faculty and students to enhance its research profile and standards.

The University provides:

- Incentives to the faculty to carryout research and publications.
- Academic leave for participation in seminar/conference/workshop.
- Access to online journals through EBSCO.
- Statistical software: SPSS, Advanced Regression Analysis, Matlab, Neural Network.

In-house Publication of Research Journals:

- View Point, An International Journal of Management and Technology by College of Management & Computer Applications ISSN: 2229-3825
- S & T Review, An International Journal of Science & Technology by College of Engineering, ISSN: 2231 - 5160
- Pharmacoarena, An International Journal of Pharmaceutical Science by College of Pharmacy, ISSN: 2278-1544
- TMU Journal of Dentistry (ISSN; 2231-6175) from Dental College.
- Acta Medica (p-ISSN: 2349-0578 / e-ISSN: 2349-0896) from Medical College is indexed in Index Medicus.

FOURTH CONVOCATION CEREMONY

Teerthanker Mahaveer University conducted its Fourth Annual Convocation ceremony on March 24, 2018. The Chief Guest for the Convocation was the Hon'ble Governor of Uttar Pradesh, Shri Ram Naik.

A warm welcome was extended to Hon'ble Governor, Shri Ram Naik by Hon'ble Chancellor Shri Suresh Jain, Vice Chairman Shri Manish Jain, Mr. Amit Jain, Vice Chancellor, Prof R.K.Mudgal and Dean Prof. K.K. Pandey. PAC band played musical composition to salute Hon'ble Governor. The Convocation began with a majestic and grand academic procession followed by the National Song sung by the students of the University. Convocation was declared open by Hon'ble Chancellor Shri Suresh Jain.

The Vice Chancellor presented the Annual Report of the University.

While delivering the convocation address, Hon'ble Governor, Shri Ram Naik said, *"A Convocation event is an entry into New World for you all. You have to do hard work to achieve your goal in this competitive age."* He quoted Dr.A. P. J. Abdul Kalam's lines *"You have to dream before your dreams can come true."*

The girl students wore sarees while the boys were in kurta-pyjamas, doing away with the colonial black Gown and Hat. All the Students were seen in colourful traditional Indian attire. From Sarees to Kurta Pyjams and saffron coloured turban and stole, these new graduates, doctors and gold medalists, as well as the dignitaries set a new graduation style trend at the ceremony.

Honorary Doctoral Degrees were awarded by Hon'ble Governor Shri Ram Naik to the following dignitaries:

-  Suresh Khanna-Hon'ble Minister of Urban Development
-  Arvind Goyal - Chairman of Moradabad Institute of Technology and a well knew Educationalist
-  The noted Playback Singer Sonu Nigam
-  Arun Khanna- a highly acclaimed Landscape Photographer.

A scintillating medals and awards ceremony was also part of the Convocation. A total number of **7876** students were conferred degrees. This included **19 students** who won **Gold Medals**. Total **22 Ph.D. degrees** were awarded for the session 2014-15, 2015-16 and 2016-17.

Professor R.K. Mudgal, Vice Chancellor conferred Ph.D degrees to the following Scholars:

-  Ms. Vaishali Dhingra and Mr. Anupam Kumar for their research work in Management
-  Mr. Bharat Bhusan Agarwal, Ms. Amita Goyal, Mr. Dinesh Kumar Mishra, Mohd. Haroon for their research work in Computer Science.
-  Ms. Garima Mishra, Mr. Pradeep Singh, Mr. Nishant Verma for their research work in Pharmacy.
-  Mr. Amit Jain and Mr. Faizul Nabi Khan for their research work in Computer Application.
-  Mr. Rohit Sharma for his research work in Electronics Engineering

The Chancellor Shri Suresh Jain in his address, congratulated to all students and advice them to do hard work with honesty and dedication to achieve their goal, for development of society and progress of the Nation. Portrait of Hon'ble Governor Shri Ram Naik was presented by Chancellor Shri Suresh Jain and Vice Chairman Shri Manish Jain.

The convocation ceremony came to an end with the National Anthem.

INFRASTRUCTURE & FACILITIES

TMU campus is spread across a vast area of 135 acres. It is the well-planned and comprehensive infrastructure provided for both students and faculty. The campus provides an ambience perfectly conducive to teaching, learning and research. The artistic landscape has enhanced the beauty with lush green lawns and rows of ornamental plants.

- Sevege Treatment Plant capacity of 15 lacs Letres
- Rooftop Solar Panels (Aprox. 1 Megawatt)

LIBRARY

TMU has Central Library with 20 colleges and three Departmental Libraries. All libraries have more than 2, 00, 000 books on varied subjects and have subscription to print version of 396 national and international journals besides access to a host of e-journals. The libraries are fully automated which has improved the users' services. The University has subscribed different databases e.g. CLINICALKEY, EBSCOhost, MANUPATRA and DELNET, providing access to thousands of online full text research articles. These databases are the one which has been subscribed by the India's most trusted and reliable Government Institutions like IITs, IIMs, AIIMS and other Central universities of India.

IT RESOURCES

The University is adequately equipped with computer systems. Each college has dedicated computer lab(s) equipped with general as well as domain specific software for quality teaching and research.

Microsoft ERP installed to automate various administrative processes of the university. The University is proud to be a part of the National Knowledge Network (NKN), an initiative of the Department of Science and Technology and Ministry of Human Resource Development, Government of India, which connects universities of the country through high speed internet to share knowledge, learning experiences and academic resources.

Additionally, use of Skype and other technology helps eliminate distances and dissolve boundaries, with eminent experts available to interact with students and faculty, allowing for a free flow of knowledge.

THE LANGUAGE LABS

Four (4) State-of-the-art language labs with 240 computer terminals equipped with hi-tech software, to help develop basic, intermediate and business level language skills. In addition, these labs have personality development cabins and group discussion rooms for students to interact with their peer groups, for discussions and debate, allowing them to grow holistically.

HOSTEL

There are four separate hostels for boys and girls to accommodate approximately 4600 students. Rooms are spacious, clean, airy and well maintained with attached bathrooms and are available on single as well sharing basis. Each room is furnished with beds, wardrobes, study tables and chairs, air coolers have also been provided for each room. Round-the-clock power back-up facility is available in the campus. Air-conditioned rooms are made available on request. Solar heaters have been installed for providing hot water during winters. Water purifiers and water coolers have been installed to provide potable water.

Each Hostel has a provision for a visitor's room, a spacious well-lit common room with large screen television and comfortable seating arrangement, recreational facilities, equipments for indoor games, newspapers & magazines, wi-fi connectivity and a gymnasium/Laundry facilities are available in-house with provision for commercial washing machine and tumble drier.

CAFETERIA

Besides Central Mess facilities and well-maintained canteens, 'Krazy Kitchen' has been started for providing hygienic, moderately priced and delicious foods items to the students. Indian, Chinese & Italian dishes are also part of menu in this restaurant.

SHOPPING CENTRE

There is a shopping centre in the campus for the convenience of the students and university residents. There are number of stores catering to necessary commodities such as books, stationary items, fruits, vegetables and grocery items.

FACULTY / STAFF ACCOMMODATION

The University offers semi-furnished accommodation in beautifully landscaped surrounding with access to integrated common facilities such as sports, hospital, library, transport, power back-up, community hall and gardens.

Dental College & Research Centre

Teerthanker Mahaveer Dental College and Research Centre, established in year 2005, is one of the prestigious and accredited dental institute. The college is actively involved in quality teaching and research practices in oral health care that makes it a centre of excellence for providing world class education. The college is well equipped with state-of-the-art dental clinical setup and a modern & majestic infrastructure.

GOALS & OBJECTIVES

Goal-1: To ensure that TMDCRC offers academic programs in dental sciences which are recognized locally and regionally for the quality of its educational programs.

Objectives:

- To develop clinical skills using advanced technologies to produce competent health care professionals.
- To recruit students committed to acquiring knowledge, skills and appropriate attitudes towards patient care.
- To develop post graduate degree courses to meet local and regional standards.

Goal-2: To ensure that its graduates are equipped with theoretical knowledge and sound clinical skills which make them self-learners and critical thinkers with an ethical orientation.

Objectives:

- To develop strategies to support lifelong learning via both print and electronic sources and to remain current with the advances in health sciences knowledge, skills and practice.
- To demonstrate the ability to acquire new information and data and to critically appraise its validity and applicability to one's professional decision.
- To display personal attribute of honesty, professionalism and integrity in relationship with staff, patients and colleagues.

Goal-3: To contribute in the advancement of dental sciences knowledge and practice by support of research conducted through its faculty and students.

Objectives:

- To encourage students and faculty to participate in scholarly activities by attending conferences, seminars and enabling them to conduct and publish research.
- To facilitate the students and faculty to write for research projects and receive research grants.
- To monitor budgetary support of and access to conferences and seminars.

Goal-4: To render health care services with highest degree of ethical accountability to self and community.

Objectives

- To implement the basic ethical principles including confidentiality, informed consent, and justice for the care of the patient.
- To educate the patients and community about various health problems and to motivate them to adopt health promoting behaviours.
- To facilitate student and faculty access to continuing education programs.

Goal-5: To accentuate the growth of the University by promoting academic activities with premier health care organizations and universities.

Objectives

- To establish agreements with premier health institutions and universities to foster academic research collaboration including faculty and student exchange.

- To develop the feedback from employer and graduates and to ensure the key results are entered into the annual strategic plan for action.

MAJOR STRENGTHS

- Sufficient numbers of dental faculty capable of providing high-quality instruction, and
- Developed strategies to provide students with more exposure to patients, especially early in the curriculum, and new technology / techniques to learn and implement.

College of Engineering

Established in 2008, the College of Engineering has emerged as a hub for academic excellence in engineering training. The college contributes to quality education in all disciplines of engineering and technical education, and helps meet the needs of industry for trained technical manpower with practical experience and sound theoretical knowledge.

College of Management

The college, established in 2001, from the beginning has been contributing to the development of business and society, by fostering leadership, nurturing entrepreneurial talent and stimulating research.

TMIMT, in partnership with industry, academic institutions, government and social sector, promotes sustainable businesses fulfilling collective needs of various stakeholders and the society at large. The college is a hub of multifaceted academic research and consultancy, and equips students with crucial skills and professional ethics needed to succeed in an increasingly interconnected and globalized world.

GOALS & OBJECTIVES

- Provide instructions through contemporary curricular based on industry requirement.
- Undertake research in business and industry, and related disciplines.
- Collaborating and sharing of expertise with national and international organizations.
- Enhancing the Quality of Management Education to achieve Global Competitiveness.
- Prepare Entrepreneurs of high caliber.
- Produce socially responsible professionals.

MAJOR STRENGTHS

- Emphasis on industrial visits, case study method of learning, role plays, business news analysis, management and IT quizzes software development competitions, video conferencing.
- In house developed video cases
- Communication Labs equipped with Hi-tech software consisting of lessons on both oral and written communication to train the students.
- Separate ambience meant for personality development of the students.
- Corporate Resource Centre giving various placement opportunities to the students.
- Various live projects for students to inculcate practical learning.

College of Computing Sciences & IT

The Teerthanker Mahaveer College of Computing Science and Information Technology, established in 2014, is a part of the commitment of the university to provide relevant, essential education to young, inquisitive minds. The College of Computing Sciences and Information Technology is the center for all Computer Science related programs run by colleges and departments across the university.

VISION

To accomplish academic excellence in the field of computer science and engineering, providing quality education and research for the development of society and nation.

MISSION

- To cultivate, share, and apply knowledge in computer science and interdisciplinary areas as well to inculcate professional, moral, social and ethical values in students to cope with challenges of the modern world.
- Major Strengths
- CCSIT has highly qualified faculty pool that is specialized in different areas of Computer Science.
- The College has world class infrastructure to provide all necessities to the students and the faculty. Spacious lecture halls, computer labs and seminar hall are very well equipped with all ultra-modern necessities to impart quality education.
- CCSIT responsibilities are divided evenly among the faculties. There exist various committees to fulfill the purpose.
- CCSIT organizes various events for the overall development of students that include conferences, seminars, and workshops each academic year. Along with this various short term courses that include CISCO Networking, Oracle WDP, Java Essentials, IBM and Microsoft IT Academy being executed during summers every year.
- Students get the facility to refer to thousands of books from the college library for the subjects they are studying. Apart from this library has rich collection of international and national Journals, Magazines, Newspapers and various educational CDs/VCDs.
- CCSIT also uses academic e-Content for teaching and learning resources.
- CCSIT also organizes two international conferences sponsored by IEEE, i-nurture, IBM.
- Students and faculty members are participating and qualifying various value added programs like NPTEL, CISCO, GATE, NET etc.
- CCSIT organizes many Faculty Development Program's and Workshops
- CCSIT also encourages students to develop emerging applications using latest tools and technologies. Further, institution is also evaluating the submitted projects and give award of Best Projects.
- Patenting process is also initiated by CCSIT.
- CCSIT is exploring/applied various projects from DST and other institution like IITR/agencies.
- CCSIT has also initiated Principal Excellence Award for academics.

College of Education

The Faculty of Education was established in 2003 as the department in TMIMT. It provides singular service to the cause of education and contributes to nation-building through teacher training programs. Teacher preparation programs, leading to the B.Ed. Degree, are learner-centered, where students discuss ideas and concepts for education, and then apply these abstract ideas in practice for better understanding.

The Masters Degree program, since 2006, provides a rigorous exposure to students allowing for an understanding of education as a discipline, and prepares and equips students for educational research.

Goals & Objectives

Major goal of the college is the extension of learning philosophy and the creation of a body of knowledge that may serve the society at large as a source and repository of inspiration in all spheres of teacher education

MAJOR STRENGTHS

The courses are designed in such a manner so as to help the students to broaden their horizon along with problem solving abilities, managerial skills with scientific frame of mind it is being enriched through interdisciplinary approach.

A deep insight is given into the methodology of teaching. The pupil teachers are trained in such a manner that after completing their course they become well accomplished and effective teachers as well as role models both for students and society at large and to work for growth and development of the nation.

College of Paramedical Sciences

Paramedics form an essential part of pre-hospital emergency services, providing primary medical and trauma care. The college was established in 2010.

Paramedics need to work in rotational shifts and must have the presence of mind to take right decisions during an emergency. Major areas of work in the field of paramedical sciences are spinal injury management, fracture management, obstetrics, management of burns and assessment, and evaluation of general incident scene.

Department of Physiotherapy

Keeping in view the increasing demand of physiotherapy services during and post treatment phase in the medical sector, the Department of Physiotherapy was established in the year 2010 to train professionals who can render these services.

The Department of Physiotherapy is functioning with competent and experienced core faculty to impart specialized knowledge. Curriculum has been designed in accordance with the guidelines given by the experts in the field.

GOALS & OBJECTIVES

In our quest to make the university a destination for world-class education, following six-fold priority areas have been identified for its Teaching and Learning, Research, Consultancy Services, Social Relevance, Sports and Culture

MAJOR STRENGTHS

The well established OPD gives our students varied exposure under the guidance of young and dynamic staff. Academic Collaboration (s)

College of Agriculture Sciences

In an increasingly technology focused and globalized economy, education and research in agriculture needs to evolve beyond an overview of farming techniques and traditions. There is a huge demand for professionals in this sector who can make meaningful contributions in bio-technology, nanotechnology, alternative energy sources, and bio-fuels. In addition, complexities brought about by Intellectual Property Rights in agriculture, obligations with the World Trade Organization, and concerns for environmental protection and sustainable development underline the need for professionals in this sector.

The College of Agriculture Sciences, established in 2014, promotes education and research in agriculture. The college offers B.Sc. Agriculture (Hons.), and B.Tech. Agricultural Engineering programs for young men and women who wish to learn modern agricultural practices.
