

Civil Engineering Department

Minutes of Meeting

8th December 2016

A Board of Studies meeting was held in the office of HOD at 3:00PM in the presence of following members

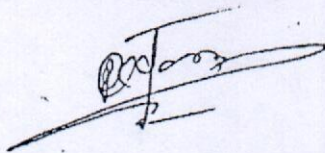

1. Dr. S. R. Ali
2. Arun Kr. Pipersenia
3. Siddharth Mathur
4. Ankit Sharma
5. Kashif Ali Khan
6. Vipin Joshi
7. Mohd Aslam
8. Gitanjali Thakur

Handwritten signatures of the meeting members, including Dr. S. R. Ali, Arun Kr. Pipersenia, Siddharth Mathur, Ankit Sharma, Kashif Ali Khan, Vipin Joshi, Mohd Aslam, and Gitanjali Thakur.

Topic Discussed

1. Considering the current industrial trend of Civil Engineering companies it has been decided to alter the syllabus of IV, VI & VIII semester. In view of this following has been done:
 - a. Building Construction and Material Lab is merged with Concrete lab and renamed as Concrete Technology and Building Materials lab (ECE453)
 - b. Another new lab has been introduced named Building Planning and Drawing using CAD (ECE455)
 - c. To additional experiment using Autodesk Quantity Take Off software has been introduced in Estimation & Costing Lab (ECE655) for V semester.
 - d. Syllabus for Computer Aided Design (ECE801) has been modified
 - e. Computer Aided Design has been renamed as Analysis and Design Lab with the introduction of new experiments based on software.

Handwritten signature of the Chairman BOS.

(Chairman BOS)

Civil Engg. COE, TMU.

Minutes of Meeting

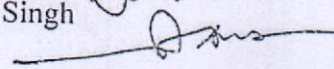

Date: 17.12.2016

Subject: Regarding Minor Changes in Course Content of Environmental Science (BAS 409) of B.Sc (H) physics, Chemistry & Mathematics Programme

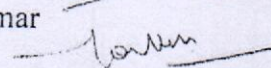

A meeting was conducted in the department of chemistry on 15.12.2016 with issues related to the course content of Environmental Science (BAS 409) syllabus. Meeting and discussion results some minor changes in course content & addition of one new topic i.e. Ill effects of fire work in unit III. The copy of revised syllabus is attached herewith for consideration and necessary action.

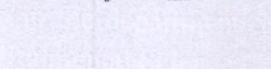

1. Dr Varun Kumar Singh
2. Dr Asim Ahmad
3. Dr K A Gupta
4. Dr Ashok Kumar
5. Mr Gandharve Kumar
6. Ms Laxmi Gupta

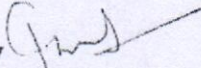

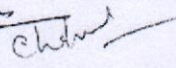

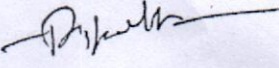

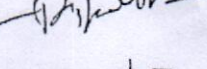

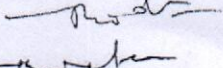

Board of Studies
Department of Mechanical Engineering
Faculty of Engineering, TMU

Date: 24th Dec, 2016

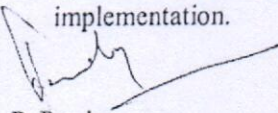

A meeting of Board of Studies of Department of Mechanical Engineering Department was held in the office of Head of the Department on 24th December, 2016. Following members attended the meeting;

- | | |
|---|---|
| 1) Dr. Praveen Pandey  | 9) Mr. Arun Gupta  |
| 2) Mr. A Narayana  | 10) Mr. Sunil Kumar  |
| 3) Mr. Praveen Chhatwal  | 11) Mr. Satyendra Mishra  |
| 4) Mr. Harish Kumar | 12) Mr. Amarmani Tripathi  |
| 5) Mr. K.B. Anand  | 13) Mr. Sunil Kumar Gaur  |
| 6) Mr. Shri Baghwan | 14) Mr. Amarjeet Modi  |
| 7) Mr. Mahir Hussain  | 15) Ms. Sweta Rastogi  |
| 8) Mr. Saood Ali  | |

Minutes of the Meeting

Following specific points were discussed & decided:

1. A new course entitled Solid Work Lab (code EME 654) was recommended for introduction in B.Tech. (III ME) 6th semester. This is done with an aim to provide students expertise in 3-D modeling. This course shall be elective in nature and students will have an option either to opt this lab course or Mechanical Vibration Lab (code EME 653).
2. The Computer Aided Design Lab (EME-751) of B.Tech. (IV ME) 7th semester was modified to remove obsolete experiments and to incorporate experiments on Creo2.0 and FEM. The BOS recommends modified Computer Aided Design (EME-701) for implementation.
3. The Computer Aided Design (EME-701) of B.Tech. (IV ME) 7th semester was revised and updated. The BOS recommends revised Computer Aided Design (EME-701) for implementation.

P. Pandey

Head of the Department & Chairman of BOS

CC: Director, FOE

19-12-2016

Subject: Regarding approval to include new elective subject in VIIIth sem and replacement of industrial training from MATLAB in Vth sem.

Sir,

A departmental BOS meeting was conducted on 19-12-2016 and the suggestions came out in improvement of existing syllabus was as follows-

- 1) Inclusion of one more elective subject (PLC Programming EEC-807) in VIIIth semester, the subject will taught and evaluated by the expert.
- 2) Replacement of Industrial Training & Presentation EEC-591 of Vth semester with (MATLAB EEC-555)
- 3) VISI Design & Technology Lab (EEC 851) of B.Tech EC -VIIIth Semester was revised and updated.

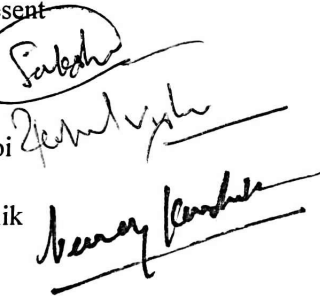

All these suggestions are given in view of professional courses requirement in syllabus without changing total credits.

19-12-2016

Subject: Regarding approval for changes in syllabus

Sir,

As per the reviews of faculties who taught in this semester the following changes have been decided to existing syllabus. The requirement of inclusion of a new subject of MATLAB in 5th semester and PLC programming in 8th semester have been decided. The changes and the details (syllabus and evaluation scheme) have been attached with this mail

All these suggestions are given in view of professional courses requirement in syllabus without changing total credits.
