Overall Analysis

On the basis of the feedback obtained on different parameters, it was analysed that **95%** of academia professionals strongly agreed & agreed that the syllabus was compatible with the industry standards & applicable/relevant to real life situations. An **97%** strongly agreed & agreed that the syllabus was sufficient to enable students to analyze the given problem and identify the necessary solutions, In terms of skills, concepts, knowledge, analytical abilities or broadening perspectives, **97%** strongly agreed & agreed that the syllabus had learning values. Overall, nearly **98%** of the professionals strongly agreed & agreed that the content was sufficient.

Feedbacks from Professional experts were in the form of minor changes in the syllabi. However, few notable suggestions received to enrich the syllabus from various academia professionals are as follows:

- Integrated teaching classes for postgraduate dental students are required.
- Students should have a choice of subjects that they can study.

The professionals, except this, have been found to be, overall, satisfied with the curriculum/syllabus.
