Overall Analysis

On the basis of the feedback obtained on different parameters, it was analysed that **97%** of teachers agreed and stongly agreed that the aims and objectives of the syllabus was well defined and clear. A total of **98%** of teachers agreed and stongly agreed that the syllabus is sufficient to bridge the gap between industry standards/current global scenarios and academics. In terms of skills, concepts, knowledge, analytical abilities or broadening perspectives, **98%** of teachers agreed and stongly agreed that the syllabus had learning values. Regarding applicability**, 99%** agreed and stongly agreed that it had relevance to real life situations and **98%** stated that the syllabus was challenging enough that it required efforts by students to learn. With regard to flexibility, **99%** felt that the syllabus was flexible to adopt new technologies/strategies of teaching such as presentations, group discussions and learners' participations. Nearly **98%** stated that timely coverage of syllabus was possible in the mentioned number of hours. More than **97%** of teachers agreed that the evaluation methods mentioned in the syllabus was sufficient for providing proper assessment and **98%** strongly agreed that the books prescribed/listed as reference materials are relevant, updated and appropriate. Overall, **99%** agreed and stongly agreed that they are satisfied with the syllabus.

However, few notable suggestions received to enrich the syllabus from various colleges are as follows:

- Teachers suggested to enhance the competency for teaching of medical students.
- Teachers of Medical College & Research Centre suggested to conduct day to day Internal assessment of Medical college.
- Teachers requested to conduct more workshops on CDE for hands-on training.
- Teachers suggested to start M.Sc. (Forensic Science).
- Teachers requested to increase experiments for B.Tech(CS)-Artificial Intelligence.
- Teachers suggested for practicals in software testing.

Except this, the teachers have been found, to be overall, satisfied with their curriculum.
