## Overall Analysis

On the basis of the feedback obtained on different parameters, it was analysed that 90% of alumni students stated that the curriculum prescribed for their degree during their term in the college was excellent. Further analysis of other parameters reveals that 89% state that the quality of education imparted in the college was excellent and 90% state that the course content delivery was excellent. On Innovative Teaching-Learning Methodologies on course curriculum, 85% stated that it was excellent in fulfilling their expectations. The academic initiative taken by college to bridge the gap between industry and academia were rated excellent by 85% of the alumni. The same was observed in rating new skills learnt in the due course of their study with 89% overall stating that it was either excellent or very good. In terms of relevance to their present job, 90% stated it was excellent and very good. A total of 83% stated that the supporting academic initiatives like Seminars, Workshops, Projects, Study Tours, etc. taken by the colleges to improve the competencies of a student are excellent and 86% as good for development activities organized by the college for their overall development. Overall, 86% stated that they felt motivated to pursue higher education because of the syllabus.

Feedback received from different alumni was specific in terms of new and emerging technologies and trends.

However, few notable suggestions received to enrich the syllabus from various colleges are as follows:

- Introduction of New Programme Bachelor of Physical Education and Sports Science.
- Revision or Replacement of course Object Oriented Programming using JAVA (ECS412) and its Lab (ECS461)

Other than this the alumni have been found to be overall satisfied with the curriculum.
