## Foreword by the Vice Chancellor

It gives me immense pleasure to present the **IV Annual Report** of Teerthanker Mahaveer University for the **Academic Session 2011-2012**. During the session, the university continued its march towards accomplishing the vision envisaged by the Founder of the University & Hon'ble Chancellor Shri Suresh Jain. The report is a reflection of the continuous development in the areas of academics, infrastructure and research, exhibiting the stupendous work done by its multidisciplinary cross functional team.

The university organised its First Convocation on May 21, 2012 in which Former President of India, Dr. A.P.J. Kalam delivered the convocation address and awarded 1131 degree/diploma/certificates and medals to university toppers. Five Honorary Doctorate degrees were also conferred upon distinguished personalities in the convocation.

The most challenging assignment for an institute of higher learning is to attain and retain a team of qualified and experienced academicians with high standard of excellence. It is gratifying to say that the university has been able to build an intellectually strong faculty base working with collective strength and commitment to maintain a sustained performance at high level.

The faculty is constantly motivated to actively participate in research projects and assignments. As a result, the faculty published 5 books, 216 research papers in reputed research journals. The seminars, conferences and extension lectures are organised on a regular basis and as many as 32 guest lectures, 31 workshops, Seminars, Conferences were organized during the reporting period. During the session 21 new programmes of study were introduced and the enrolment of the students grew by 36% over last year, proportionately there was increase in the strength of the faculty to 631.

For multi dimensional growth of its learners, the university has been actively promoting cultural and sports activities. A three day cultural event Rock On-IV, SPICMACAY sponsored Oddissi dance performance by noted Oddissi exponent Sh. Vijay Sahoo, are some of the important events organized in the series.

Along with academic activities we recognise our social responsibility and have organized a number of free medical and dental check-up camps and other awareness campaigns to contribute for healthy India. Our endeavour at Teerthanker Mahaveer University would continue to improve the knowledge base and skill set of all its stake holders and play a significant role in growth and development of the country.

**Prof. R.K. Mittal**

# The University

The Fourth Annual Report presented for the academic session 2011-12 aims to illustrate a wide range of activities undertaken by the university, and the strength reflected in its performance during the period.

Established on September 14, 2008 under Act No. 30 of 2008 of Government of Uttar Pradesh owes its origin to Teerthanker Mahaveer Institute of Management and Technology which entered into professional education in the year 2002 by offering job-oriented programs at the graduate and postgraduate level in the areas of

management and computer applications. The sponsoring body Teerthanker Mahaveer Institute of Management and Technology Society later ventured with an independent University and christened it as Teerthanker Mahaveer University. University Grants

Commission empowers the University to award degrees U/s 22 of the UGC Act, 1956. Presently, the University offers a broad range of programmes of study through a number of colleges and independent departments of study.

The University follows an interdisciplinary approach in all of its programs and encompasses a national and international view point in its teaching, research, and consultancy.

## Our Driving Force

Hon'ble Chancellor Shri Suresh Jain along with the dynamic and energetic Group Vice Chairman Shri Manish Jain initiated the strenuous and mammoth job of setting up of a world class University and the duo is incessantly engaged in the strategic planning to create an environment for providing not only quality education but also value added courses along with excellent communication and skills for better employment avenues enabling its students to find a meaningful place in the society by discharging their duty as good corporate citizens of the country, which is a characteristic feature of world class University.

# Vision, Mission & Focus Areas

---

**Vision:** “To be internationally recognized as a premier institution of excellence providing quality education, research opportunities, and consultancy services to the global society.”

**Mission:** “Our endeavour is to impart knowledge and develop critical skills necessary to make the students succeed both in professional and personal life by promoting learning supported by world-class faculty, infrastructure, technology, curricula, collaborative teaching and research which is at par with premier institutions in India and abroad.”

**Principles and Values:** The University stands committed to the ideals of Lord Mahaveer i.e. Right Philosophy, Right Knowledge, and Right Conduct.

These are followed in letter and spirit in planning and implementation of its programs and policies. The observances of these ideals are helping us in developing the manpower having a modern outlook towards the problems and their solutions and have foundation based on ideals given by Lord Mahaveer.

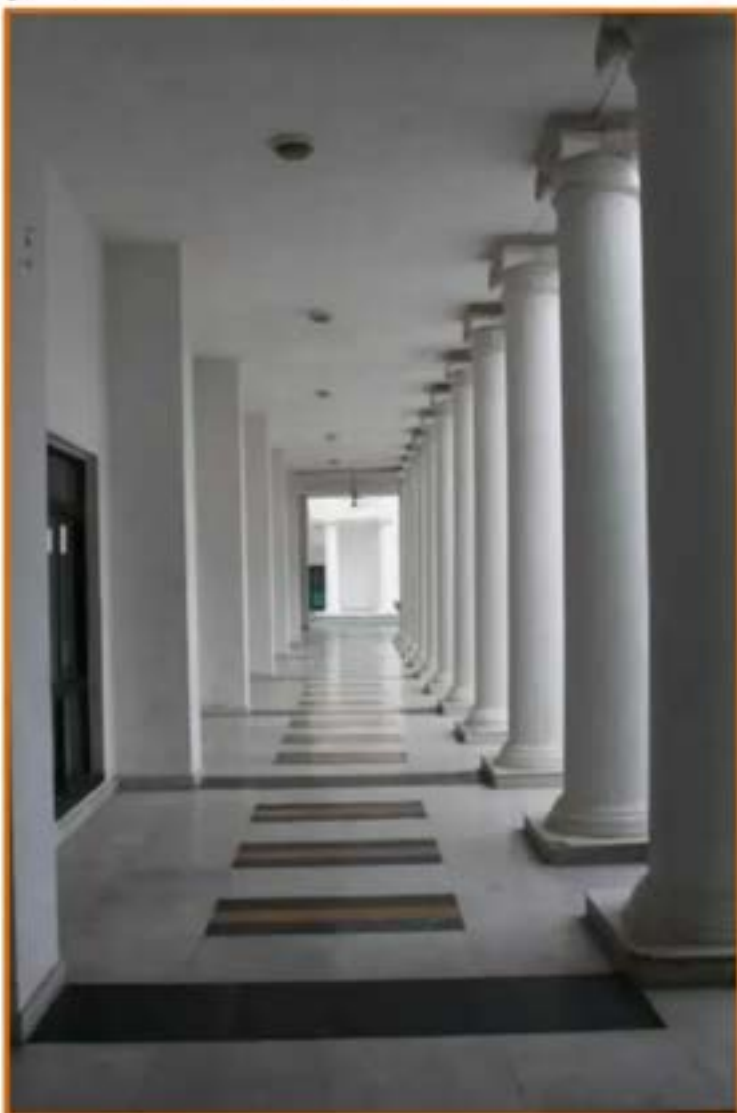

**Converting Vision into Reality:** The vision and mission are transformed in to reality by identifying the following focus areas:

- ♦ **Teaching and Learning:** Create conducive environment for an interactive and application oriented experiential learning.
- ♦ **Research:** Foster research orientation in students and faculty in basic and applied areas in all its disciplines.
- ♦ **Consultancy Services:** Take academic proficiency to corporate and community by providing cost effective solutions.
- ♦ **People:** Make Teerthanker Mahaveer University a preferred destination for work and study.
- ♦ **Global Perspective:** Encompass a national and international viewpoint into teaching, research and consultancy.
- ♦ **Good Governance:** Bring transparency and accountability in university operations.
- ♦ **Social Relevance:** Position itself as a catalyst in social change.
- ♦ **Entrepreneurial Culture:** Nurture entrepreneurial capabilities to accelerate growth.
- ♦ **Sports and Culture:** Provide ample opportunities to develop sportsmanship and love for culture and national heritage.

### Chief Guest: Dr. A.P.J. Abdul Kalam, Former President of Republic of India

In his opening address Dr. Kalam said "I am delighted to participate in the 1st Convocation of Teerthanker Mahaveer University Morababad. I am happy to know that the university established in 2008, has now multi pronged focus covering various dimensions of learning including engineering, biology, history, political science, pharmacy, nursing, medicine, architecture and many other areas all of which are vital disciplines for the socio-economic growth of our country".

Emphasizing on the need of research for a becoming a good teacher he further added "Good teaching emanates from Research. The teachers' love for research and their experience in research are vital for the growth of the institution. Any University is judged by the level and extent of the research work it accomplishes. This sets in a regenerative cycle of excellence. Experience of research leads to quality teaching and quality teaching imparted to the young in turn enriches the research. I am sure, Teerthanker Mahaveer University's mission is "research teaching research".

# Research & Extension

The first and foremost interest of the teaching fraternity is the opportunity and encouragement to conduct research so ample opportunities are made available for the same. The University provides:

- ❖ Incentives to the faculty to carryout research and publications.
- ❖ Academic leave for participation in seminar/conference/workshop.
- ❖ Access to online journals through EBSCO.
- ❖ Statistical software: SPSS, Advanced Regression Analysis, Metlab, Neural Network.

## In-house publication of research journals:

- ♦ **View Point**, An International Journal of Management and Technology by College of Management & Computer Applications ISSN: 2229-3825
- ♦ **S & T Review**, An International Journal of Science & Technology by College of Engineering, ISSN: 2231 -5160
- ♦ **Pharmacoarena**, An International Journal of Pharmaceutical Science by College of Pharmacy, ISSN: 2278-1544
- ♦ **TMU Journal of Dentistry**, ISSN: 2231-6175 (Review of papers is in progress for the first issue)

# Events/Functions Organised in/by University

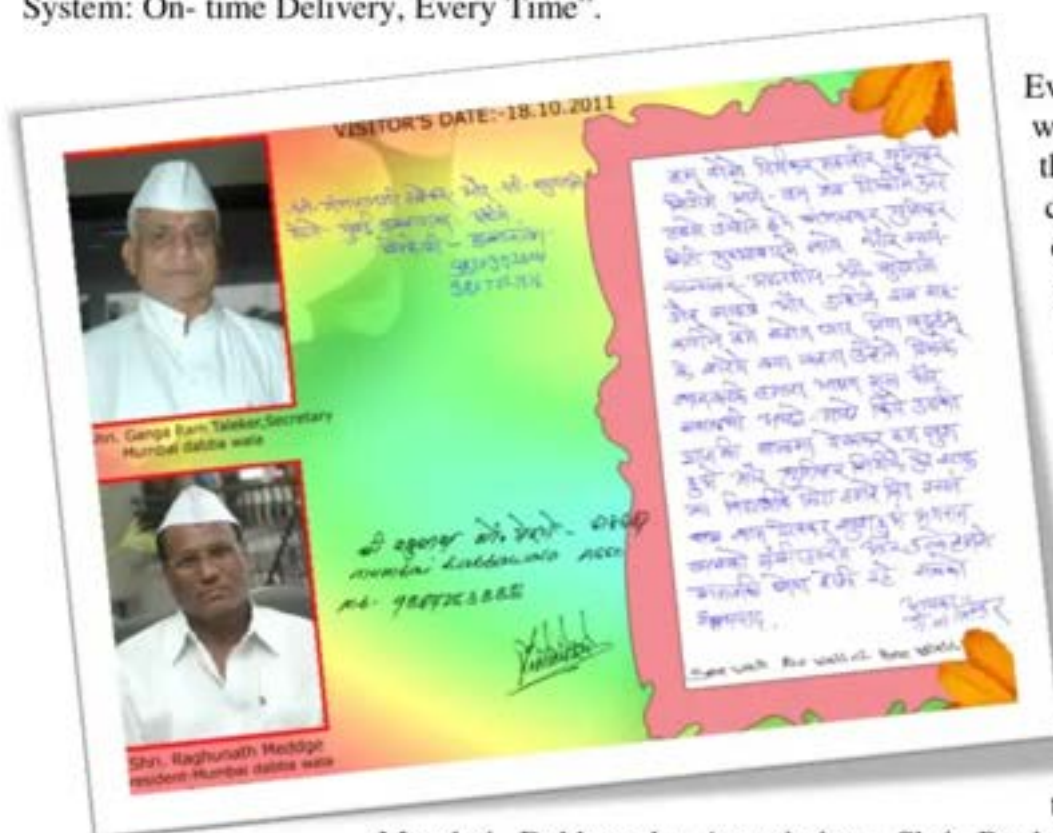

The University has been a host to several workshops/conventions/symposia/seminars/conferences, some of significant ones are:

## Visit of iconic Mumbai Dabbawalas

On October 18, 2011, the iconic Mumbai Dabbawalas addressed a congregation of students and faculty of various colleges of Teerthanker Mahaveer University in an extension lecture in which new parameters of six sigma as practiced by them were defined.

The talk proved that even today Harvard learns from India. The world famous companies like Apple talk about innovations, dabbawalas talk about 'Indovations' in the form of fresh hot meal to two lakh people daily, be it flood or sun, without delay. Harvard Business School published a case study of Mumbai Dabbawalas entitled, "The Dabbawala System: On- time Delivery, Every Time".

Even Prince Charles was mesmerized by the excellent supply chain management of these semi educated people from the city of slums, stars and stocks and invited them to his marriage.

There was a thunderous applause from the audience at every sentence of

the President

Mumbai Dabbawala Association, Shri Raghunath Medge and General Secretary of the association, Shri Gangaram Talekar.

## 22<sup>nd</sup> World Aids Day

December 1, worldwide is observed as World AIDS Day, which was first conceived by James W Binn and Thomas Netter in August 1987.

The students of the Department of Hospital Administration, College of Nursing and College of Journalism & Mass Communication observed the day in a unique way by visiting the hospital and interacting with patients by making them aware about the causes and prevention of the disease. Students led the procession by wearing red ribbon and holding placards depicting ills, causes

and remedies to fight the menace of AIDS.

## A workshop on Entrepreneurial Innovations - by Sh. Mansukhbhai Prajapati, President Award Winner

An entrepreneur listed in FORBES top 10 innovative entrepreneurs of the world and who himself don't carry fancy professional degrees, taught the practical lessons of entrepreneurship in the prestigious management and engineering colleges all around the world like IIMs, IITs, Cambridge University etc. It was a matter of pride for Teerthankar Mahaveer University to welcome him on 15<sup>th</sup> November to teach the lesson of perseverance to the students of Management, B.Tech., and Polytechnic. He displayed and explained the functioning of his patented product 'Mitticool' and Water Purifier to the awe struck audience.

The Workshop titled "Necessity is the Mother of Invention" was conducted by Shri Mansukhbhai who has been titled "True Scientist" by the former president of India, Shri APJ Abdul Kalam, and has been awarded by Smt. Pratibha Patil, the present President of India besides the award of 'Eco Hero' by National Geographic.

# Infrastructure & Facilities

The academic team work strenuously to give shape to the vision, mission and intellectual content, while the engineering wing of the university is working equally hard to conceptualize the physical elements needed to provide learning friendly environment.

The campus plan incorporates the ideology of the University in its design. Spread over sprawling area of 135 acres of land, it stimulates and fulfills the intellectual needs of the students and teachers by way of good infrastructure, resources and ambience. The artistic landscape has enhanced the beauty with lush green lawns and rows of ornamental plants. The construction of a number of new buildings has added space.

To address the issues related to resource and energy conservation, new concepts such as rain water harvesting, sewage treatment, development of water bodies and use of solar energy have been extensively applied in the campus.

## College Libraries

The library creates a special environment for learning, which is extensively used by students, faculty and general readers in their pursuit of knowledge.

Each constituent college of the University has well stocked library to support teaching learning process and to facilitate research work. The libraries are functioning as a resource centre for teacher and taught to get their knowledge updated and to give impetus to

research work.

The stock includes latest literature and access to e-journals. OPAC (Online Public Access Catalogue) facility is available in the libraries too. Automation of different libraries is in progress.

## ITC Resources

Standard of teaching and the prospects thereafter much depends on availability and proper use of ITC resources. Each college has a well equipped computer lab to support the academic, administrative and research activities.

ERP based software 'Campus connect' developed by JIL Information Technology Limited, New Delhi has been installed to automate and stream line the different administrative processes and services in the university.

Wi-Fi connectivity in the hostel inspires and facilitates self learning which results in intellectual growth of the students.

All colleges are connected to internet through high speed 1 Gbps BSNL connection.

# College of Engineering

**Establishment:** Established in 2008, College of Engineering has been producing multi-skilled young engineering graduates and post graduates to meet the growing demand for qualified and trained engineers and entrepreneurs in India and abroad. The College is imparting education at Graduate, Postgraduate, and Doctorate levels in all disciplines of engineering and technology. In a short span of four years, the College has become a center for academic excellence in engineering education because of the variety of ongoing research activities in various disciplines. It is comprised of 8 academic departments and 77 full time experienced faculty members with the requisite supporting staff. Special care is taken to improve communication skill, personality development, and merits for quality leadership and business management of students. The college also intends to enter in to consultancy services in the near future.

## Goals & Objectives

- ♦ Imparting quality technical knowledge.
- ♦ Achieving excellence at par with the global standards
- ♦ Providing a conducive learning environ for students
- ♦ Promoting research in all fields of engineering and technology
- ♦ Providing high level consultancy services

## Major Strength

- ♦ Well qualified and experienced regular faculty
- ♦ Fully equipped state-of-the-art laboratories and workshops
- ♦ Well stocked library with online access to EBSCO database
- ♦ Most modern lecture theaters and classrooms with audio-visual teaching aids
- ♦ Excellent industry-institute interaction
- ♦ Academic and industry collaboration with leading Indian and foreign organisations
- ♦ Regular updating of curricula in accordance with emerging trends and needs of Industry.

## Academic Collaborations

- ♦ University of Nantes, France
- ♦ Limerick Institute of Technology, Ireland
- ♦ Amtek Auto Ltd., Gurgaon

## Membership of Professional Organisations

- ♦ Computer Society of India

## Major Achievements during the session

- **International Conference on “Emerging Trends in Engineering and Technology”**

College of Engineering, Teerthanker Mahaveer University organized a two day International Conference on “Emerging trends in Engineering and Technology” on 6<sup>th</sup> & 7<sup>th</sup> April 2012. This two days international conference on Emerging trends in Engineering and Technology was a premier gathering of academicians, engineers, scientists, technologists, industrialists, students and others interested in sharing ideas, knowledge and experiences. The conference provided an international forum for researchers to exchange of ideas in recent advances on various aspects of theories, analysis, experimentation and computational methods in engineering and technology.

550 abstracts from different countries around the world were received. These submissions were sent to reviewers for review. Finally, 135 full length papers were accepted for the conference from Malaysia, Norway, Bahrain, Nigeria, Sultanate of Oman, Egypt, Iran, Kingdom of Saudi Arabia and India.

Prof M.M Pant, Pro-Vice Chancellor at Indira Gandhi National Open University (IGNOU), Senior Faculty at IIT – Kanpur, MLNR Engineering College and Faculty at University of Western Ontario-Canada; Mr. Kapil Lakhtakia, Former Vice President of IBM and Mahindra Satyam, presently working as Consultant for World Bank and Mr. Sanjiva Dubey, former CEO Bhilwara Infotech and President of Raffles Software Singapore, presently Asia Pacific Service Delivery Executive of IBM; Prof. D S Murti, Pantnagar University ; Dr Anurag Awasthi, Director, Noida Engineering College; Dr. M P Thapaliyal, HNB University, Srinagar, Prof. Izharul Haq Farooqi, AMU graced the occasion as distinguished speakers.

- Launched first issue of in-house research journal entitled 'S & T Review' (ISSN: 2231-5160) on May 21, 2012

# College of Management and Computer Applications

**Establishment:** The College had been established in the year 2003 in the name and style of Teerthanker Mahaveer Institute of Management & Technology (TMIMT). The erstwhile institute had been offering management and computer application programmes of MJP Rohilkhand University and Gautam Buddha Technical University. Subsequently, after the establishment of Teerthanker Mahaveer University in 2008, the institute became a constituent college of the university.

## Goals & Objectives

- Provide instructions through contemporary curricular based on industry requirement
- Undertake research in business and industry, and related disciplines
- Collaborating and sharing of expertise with national and international organisations
- Enhancing the quality of management education to achieve global competitiveness
- Prepare entrepreneurs of high caliber
- Produce socially responsible professionals

## Major Strenghts

- Emphasis on industrial visits, learning by case study method, role plays, business news analysis, management and IT quizzes, software development and scenario writing competitions.
- Classes by experienced faculty from industry through V-SAT connectivity.

- Communication Labs equipped with hi-tech software consisting of lessons on both oral and written communication to train the students.
- Separate settings meant for personality development of the students.
- Dedicated Corporate Resource Centre providing career counseling and informed placement choices to the students.

### Major Achievements

- Dr.Vipin Jain, Director of the Institute received Distinguished Educator Award by Discovery Education Media Pvt. Ltd., Delhi
- Dr.Mosam Sinha has received Honorary D.Litt. from Institute of Church Management, Florida, USA
- Dove of Peace by Home of Letters, Bhubaneswar and Best Citizen Award, International Publishing House, New Delhi

# College of Education

**Establishment:** The College has its genesis in the erstwhile Teerthanker Mahaveer Institute of Management & Technology, and the programmes of study in the field of teacher education were introduced in an endeavor to impart quality education and training to the prospective teachers who in turn have been entrusted with a responsibility of grooming the future generations of the nation. The B.Ed. programme was started in the year 2003 and on getting overwhelming response from students, the M.Ed. programme was introduced subsequently in the year 2006. With the establishment of Teerthanker Mahaveer University in the year 2008 these programmes are being run in the newly carved out College of Education as one of the constituent colleges of university.

## Goals & Objectives

Major goal of the college is the extension of learning philosophy and the creation of a body of knowledge that may serve the society at large as a source and repository of inspiration in all spheres of teacher education. The objective is to provide higher education opportunity to larger number of prospective pupil teachers.

## Major Strenght

- ❖ Well balanced Teacher: Student ratio
- ❖ Mentor-mentee concept
- ❖ Highly enriched library
- ❖ Special emphasis on hands-on training of pupil teachers
- ❖ Well equipped computer centre with network connectivity

# Department of Home Science

**Establishment:** The department of home science has been established in the year 2002 with a broad objective of catering to the educational needs of girls besides preparing them for future roles. The department is fully geared to train students in the multi-disciplinary field of the study, which engender the variety of roles and tasks involving contemporary family in community and social life. In essence, the programme involves a broad based study of family life involving child education, food & nutrition, extension, textile and clothing and consumer needs as well as the application of these to improve aesthetic, social, economic, technical and scientific principles. The department trains the students in the above broad areas ensuring the production of highly skilled men power through adoption of effective techniques of instructions, laboratory practical and field demonstration.

## Goal & Objectives

- To fulfill the vision through development of need based curriculum that would enable the graduates and postgraduates of Home Science to become active partners in the economic growth and development of the community - be it the family, local society, nation or world.
- To impart knowledge and skills to graduates of Home Science to realize direct benefits of the employment market.
- To plan and execute need-based, multi-disciplinary and action oriented research projects for improving quality of life of the people.
- To promote economic and technological empowerment of women and youth in home, farm and allied activities.
- To develop interactive linkages with industries and non-government organizations.

## Major Strenghts

- **Computer Facilities:** The Department has computer facilities in the student's computer laboratory. Facilities also exist for Computer Aided Designing.
- **College Library:** Department of Home Science has a library where around 960 textbooks related to Home Science discipline, newspapers and magazines are available to the students. The library has a reading room to help inculcate the habit of reading among students.
- **Laboratory facilities:** The Department has Foods and Nutrition lab, Clothing Construction Lab and Dyeing and Printing lab.
- **Faculty:** The department has well educated faculties.
