THE UNIVERSITY

The seventh Annual Report for the academic session 2014-15 of the University attempts to reflect the various facets of academic and co-curricular activities at the University and its colleges. As is expected of an academic institution, Teerthanker Mahaveer University has grown steadily in terms of its infrastructure and addition of contemporary courses with a dynamic curriculum.

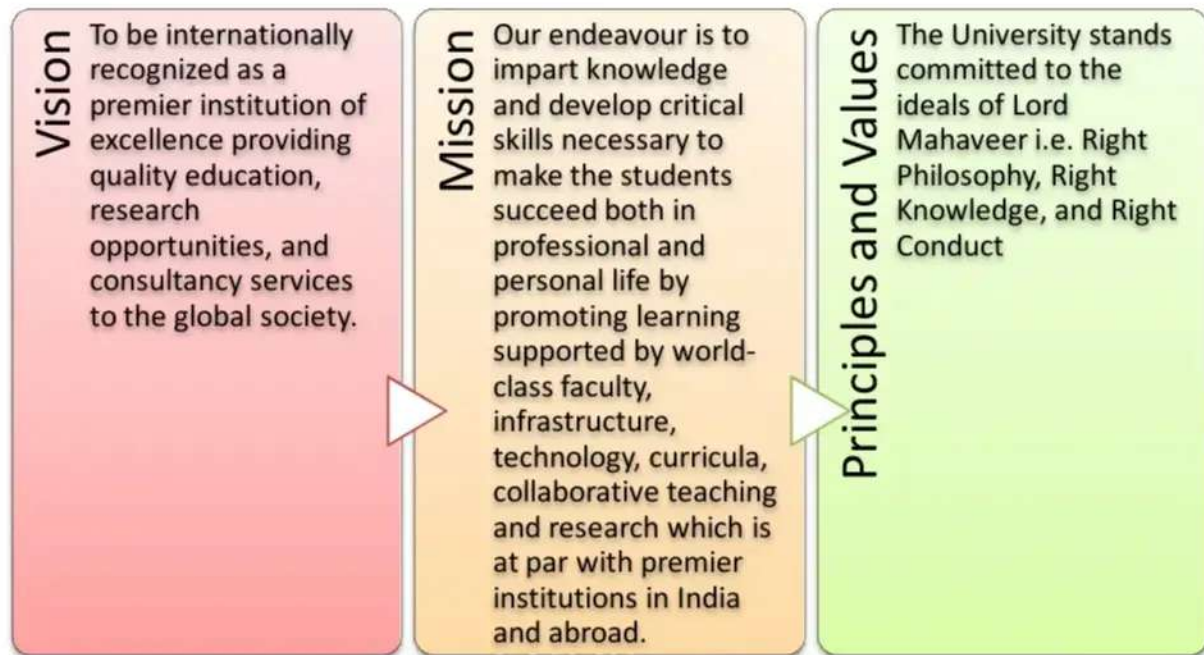

Established on September 14, 2008 under Act No. 30 of 2008 of Government of Uttar Pradesh owes its origin to Teerthanker Mahaveer Institute of Management and Technology which entered into professional education in the year 2002 by offering job-oriented programs at the graduate and postgraduate level in the areas of management and computer applications. The sponsoring body Teerthanker Mahaveer Institute of Management and Technology Society later ventured with an independent University and christened it as Teerthanker Mahaveer University. University Grants Commission empowers the University to award degrees U/s 22 of the UGC Act, 1956. Presently, the University offers a wide range of degree programmes having high employability potential through its fifteen on campus colleges and five independent departments. The University has made extensive collaborative arrangements with leading national and international institutions to ensure quality.

ABOUT THE FOUNDERS

Chancellor Shri Suresh Jain along with Group Vice Chairman Shri Manish Jain initiated the mammoth job of setting up of a world class University and the duo is incessantly engaged in the strategic planning to create an environment for providing not only quality education but also value added courses along with excellent communication and skills for better employment and entrepreneurship avenues enabling its students to find a meaningful place in the society.

VISION, MISSION & FOCUS AREAS

These are followed in letter and spirit in planning and implementation of its programs and policies. The observances of these ideals are helping us in developing the manpower having a modern outlook towards the problems and their solutions and have foundation based on ideals given by Lord Mahaveer.

- ❖ **Converting Vision into Reality:** The vision and mission are transformed in to reality by identifying the following focus areas:

RESEARCH & EXTENSION

Research and consultancy are the priority areas for the University as it is an integral part of the teaching-learning process. The University is committed to forging tie ups and collaborations with national and international institutions for teaching, research and exchange of faculty and students to enhance its research profile and standards.

The University provides:

IN-HOUSE PUBLICATION OF RESEARCH JOURNALS:

- ◆ View Point, An International Journal of Management and Technology by College of Management & Computer Applications ISSN: 2229-3825
- ◆ S & T Review, An International Journal of Science & Technology by College of Engineering, ISSN: 2231 -5160
- ◆ Pharmacoarena, An International Journal of Pharmaceutical Science by College of Pharmacy, ISSN: 2278-1544
- ◆ TMU Journal of Dentistry (ISSN; 2231-6175) from Dental College.
- ◆ Acta Medica (p-ISSN: 2349-0578 / e-ISSN: 2349-0896) from Medical College is indexed in Index Medicus.
- ◆ International Journal of Research Trends in Computer Science & Information Technology (ISSN: Applied for)

UNIVERSITY SPONSORED RESEARCH PROJECTS

University has funded thirty-five minor research projects of which twenty-three have been completed. In addition, six major research projects have been submitted to DST & CST for funding.

List of Completed Research Projects

S. No.	Project Title	Year	College/ Dept.	Principal/ Co-Investigator(S)
1	Evaluation of Combined Anti-inflammatory Activity of Azadirachta Indica & Bougainvillea Spetabilis.	2011-12	College of Pharmacy	Mr. Neelanchal Trivedi Prof. K. K. Jha
2.	Synthesis and Biological Evaluation of some novel quinazolin derived schiff's bases	2011-12	College of Pharmacy	Prof. K K Jha Ms. Garima Mishra

3.	Establishment of pharmacognostical monograph of <i>Achras indica</i> Linn. Whole plant	2011-12	College of Pharmacy	Mr. Pradeep Singh Prof. K K Jha
4.	Formulation and optimization of fast dissolving tablets of norfloxacin using hydrotropic solubilization technique.	2011-12	College of Pharmacy	Ms. Shweta Sharma Prof. K. K. Jha
5.	Dissolution enhancement of telmisartan in sublingual tablets	2012-13	College of Pharmacy	Prof. K. K. Jha
6.	Establishment of pharmacognostical monograph of <i>Cassia siamea</i> (L.) Aerial parts.	2012-13	College of Pharmacy	Mr. Pradeep Singh
7.	Molecular docking studies of pyrrolotriazine analogs	2012-13	College of Pharmacy	Mr Neeraj Kant Sharma
8.	Evaluation of sedative activity of <i>Achyranthes aspera</i> L. (amaranthaceae).	2012-13	College of Pharmacy	Prof K K Jha

April 18, 2015- Third Convocation

April 18, 2015 became a memorable day for young students of various disciplines of the University when they were rewarded with the fruits of the hard work in the 3rd Convocation organized on Saturday at 10:30 at the University Campus. Justice K. G. Balakrishnan, Chairperson, National Human Rights Commission and Former Chief Justice of India was the Chief Guest of this grand celebration. The Chief Guest and other dignitaries formed part of the Convocation procession of learned scholars and teaching fraternity from various colleges and departments of the university.

A warm welcome was extended and Convocation was declared open by Hon'ble Chancellor Shri Suresh Jain. A galaxy of eminent educationists and scholars were present on the occasion. Shri Manish Jain, Group Vice Chairman, Shri Ashok Mittal & Shri Vishal Sehgal, Member, Executive Council, Prof. J. B. Jain, Controller of Examination were also present on the dais. Prof. Rakesh Kumar Mudgal, Vice Chancellor, presented Annual Report of the University before the august gathering and elaborated the achievements and progress made during last two years by the University. The details given brought feelings of contentment and pride reflected in rounds of applause. The ceremony started with conferment of Honoris Causa degree by the Hon'ble Chancellor. Honoris Causa degrees of "Doctor of Philosophy" were conferred upon Shri Punam Suri, a veteran journalist and Chancellor of DAV University, Jalandhar in the light of his outstanding contribution to the social development through value based education and Shri Vallabh Bhanshali, Co-founder and Chairman ENAM Group, Mumbai in recognition of his outstanding contribution in development of country's capital market. The citations depicted and highlighted the benevolent performance of these two philanthropists. In the Interactive Session held on eve of the Convocation, the Honoris Causa degree recipients gave Success Mantra to the students of the University.

Thereafter, Ph.D. degrees were awarded by the Vice Chancellor, to Ms Vandana Bagla, Ms. Rashmi Jha & Mr. Indranil Bose for their research work in Maths, Computer Applications and Management respectively. For the session 2012-13 and 2013-14, 241 students received the academic excellence awards by way of Gold, Silver and Bronze, while 5427 students graduated in various disciplines.

Addressing the students as young Intellectuals in the Convocation, Shri Punam Suri emphasized the need to help the uneducated masses as well as to eradicate the menace of poverty, illiteracy and ignorance from our Mother land. Speaking on the occasion Shri Bhanshali, called upon the students to prove their worth and ability in this competitive and complex corporate world as practical life demands wisdom, prudence and dedication along with knowledge and reminded that there is no

substitute of good education, hard work and cultured conduct. Shri J. K. Jain, Hon'ble Visitor, Teerthanker Mahaveer University reminded the student fraternity to be bold enough to face the challenges of life and to march ahead, taking the difficulties in their stride.

In his Convocation address, Chief Guest, Justice K. G. Balakrishnan, exhorted the students to work hard for progress, prosperity and achievement of their goal in life. He appreciated growth of the University in terms of repute as well as infrastructure, which can contribute to make India evolve as a giant in technical and health education globally. The Chancellor Shri Suresh Jain in his address, emphasized the need of quality education and special efforts made for development of society and progress of the Nation. He expressed his earnest desire to make University a hub of academic & research activities so as to be recognized as most sought after university. He called upon the students and teaching fraternity to work strenuously for achievement of the goal in light of Mission and Vision of the University.

The Convocation concluded with a vote of thanks proposed by Controller of Examination and the return of the academic procession.

INFRASTRUCTURE & FACILITIES

The campus plan incorporates the ideology of the University in its design. Spread over sprawling area of 135 acres of land, it stimulates and fulfills the intellectual needs of the students and teachers by way of good infrastructure, resources and ambience. The artistic landscape has enhanced the beauty with lush green lawns and rows of ornamental plants. The construction of a number of new buildings has added space.

DENTAL COLLEGE & RESEARCH CENTRE

ESTABLISHMENT

Teerthanker Mahaveer Dental College and Research Center, established in 2005, is one of the premier institutes in the country en-gaged in quality teaching and research in oral healthcare. In conformation with the Dental Council of India regulations, the college is well-appointed with modern equipment in dental clinics, pre-clinical, and research labs to create an appropriate environment for teaching, learning, and patient care.

Goals & Objectives

- To achieve a status of most preferred destination for Dental Education
- To become a premier centre for Dental Education and Research

Major Strengths

- On campus full time faculty
- Availability of all the modern equipment and instruments
- Ultra-modern library with e-journals

Regulatory approvals

- BDS recognized by Dental Council of India
- MDS in 9 specialties recognized by Dental Council of India

COLLEGE OF ENGINEERING

ESTABLISHMENT

Established in 2008, the College of Engineering has been providing well-trained and multi-skilled young engineering graduates and post graduates to meet out the growing demand for engineers and entrepreneurs in India and abroad. The College is imparting quality education in all disciplines of technical education. In a short span of five years, the College has emerged as a hub for academic excellence. The conducive environment for research activities in different fields of technology is an asset in itself. The College offers different programs at bachelor, post-graduate and doctoral level covering major branches of engineering and basic sciences.

Extra care is taken to ensure proficiency in communication, personality development, leadership qualities and entrepreneurial traits among all students for their better interface with corporate world. The college has recently started providing consulting services to governmental and non-governmental organizations.

Goals & Objectives

- To impart high quality technical knowledge.
- To achieve excellence at par with the global standards.
- To provide a conducive learning environment to the students.
- To promote Research activity in various fields of Engineering and Technology.
- To provide high level consulting services.

Major Strengths

- Well qualified and experienced regular faculty
- Fully equipped state-of-the-art laboratories and workshops
- Well stocked library with online access to EBSCO database
- Most modern lecture theaters and classrooms with audio-visual teaching aids
- Excellent industry-institute interaction
- Academic and industry collaborations with leading Indian and foreign organizations
- Continuous updating of curricula in accordance with emerging requirements of industry

Academic Collaboration (s)

- University of Nantes, France
- Limerick Institute of Technology, Ireland
- Amtek Auto Ltd., Gurgaon

COLLEGE OF MANAGEMENT

ESTABLISHMENT

The college, established in 2001, from the beginning has been contributing to the development of business and society, by fostering leadership, nurturing entrepreneurial talent and stimulating research. TMIMT, in partnership with industry, academic institutions, government and social sector, promotes sustainable businesses fulfilling collective needs of various stakeholders and the society at large. The college is a hub of multifaceted academic research and consultancy, and equips students with crucial skills and professional ethics needed to succeed in an increasingly interconnected and globalized world.

Goals & Objective

- Provide instructions through contemporary curricular based on industry requirement
- Undertake research in business and industry and related disciplines
- Collaborating and sharing of expertise with national and international organizations
- Enhancing the quality of management education to achieve global competitiveness
- Prepare entrepreneurs of higher caliber
- Produce socially responsible professionals

Major Strengths

- Emphasis on industrial visits, case study method of learning, role plays, business news analysis, management and IT quizzes software development competitions, video conferencing
- In-house developed vide case
- Communication Labs equipped with Hi-tech software consisting of lessons on both oral and written communication to train the students.
- Separate ambience meant for personality development of the students.
- Corporate Resource Centre giving various placement opportunities to the students.
- Various live projects for students to inculcate practical learning.

ACADEMIC COLLABORATION(S)

Organization (Name & Place)	Objectives & Areas of Collaboration
Indian Institute of Logistics, Chennai	To train students in the field of logistics, an area of a great importance for placement purposes
Solbridge International School of Business, Daejeon, Republic of Korea	To give international exposure to the students
University of Regina, Saskatchewan, Canada	To give international exposure to the students
Vanier College, Canada	To give international exposure to the students
Indian Institute of logistics	To groom students and inculcate professional skills by placing them in their companies
MBA with Reliance Leap	To groom students and inculcate professional skills by placing them in their companies
BBA with ILFS	To groom students and inculcate professional skills by placing them in their companies
BBA with Metro Cash & Carry	To groom students and inculcate professional skills by placing them in their companies

COLLEGE OF PHARMACY

ESTABLISHMENT

Global trends resulted in the Establishment of College of Pharmacy, besides other institutions offering courses in Medical, Dental, Nursing and Paramedical Sciences etc. in the university campus. The college was set up in 2008 and has been transferring the knowledge in the field of pharmaceutical profession.

Goals & Objectives

- The institute is committed to produce young, dynamic, skilled diploma holders, graduates and post graduates with versatile innovative approaches to resolve the problems arising in drug industries and clinical areas so as to meet out the global challenges in the field of pharmaceutical practices in India & abroad.
- The institute endeavours to impart quality education and develop potential skills in the entrants to capabilise them to develop self-sufficient personalities suitable to the global requirements of the present and future era in the field of pharmaceutical profession.

Major Strength

- A strong team of learned and experienced teachers, well equipped with latest teaching scales and methods.
- Faculty members are having vibrant experience in research & development.
- Practice of current evocative educational initiatives like mentor-mentee scheme.
- Frequent interaction with parents regarding the performance of their wards.
- Feedbacks obtained from industrial/ institutional/ corporate sectors and academic flexibility to modify the academic curriculum that has enhanced employability of the entrants.
- Well equipped laboratories with latest instruments and apparatus with modern classroom teaching facilities.

REGULATORY APPROVAL

- Pharmacy Council of India

COLLEGE OF EDUCATION

ESTABLISHMENT

The Faculty of Education was established in 2003 as the department in TMIMT. It provides singular service to the cause of education and contributes to nation-building through teacher training programs. Teacher preparation programs, leading to the B.Ed. Degree, are learner—centered, where students discuss ideas and concepts for education, and then apply these abstract ideas in practice for better understanding.

The Masters degree program, since 2006, provides a rigorous exposure to students allowing for an understanding of education as a discipline, and prepares and equip students for educational research.

Goals & Objective	Major Strenght
<ul style="list-style-type: none"> Major goal of the college is the extension of learning philosophy and the creation of a body of knowledge that may serve the society at large as a source and repository of inspiration in all spheres of teacher education. 	<ul style="list-style-type: none"> The courses are designed in such a manner so as to help the students to broaden their horizon along with problem solving abilities, managerial skills with scientific frame of mind it is being enriched through interdisciplinary approach. A deep insight is given into the methodology of teaching. The pupil teachers are trained in such a manner that after completing their course they become well accomplished and effective teachers as well as role models both for students and society at large and to work for growth and development of the nation.

COLLEGE OF PARAMEDICAL SCIENCES

ESTABLISHMENT

The College of Paramedical Sciences was established in 2010 .The college conducts specialized training in four disciplines by qualified professionals.

Forensic Science discipline provides exposure and practical training for investigation of accident and crime scenes.

Study of Radiography and Imaging Technology prepares professionals and technicians proficient in use and interpretation of radiological imaging technologies using X- Ray, Color Doppler, Ultra sound, EEG, CT- Scan and MRI imaging.

Medical Laboratory Technology focuses on diagnosis, treatment and prevention of diseases through clinical laboratory technologies.

Optometry discipline trains ophthalmic technicians who can assess ocular motility disorders and errors of refraction.

Goals & Objective	Major Strengths	Placement Service with Corporation
<ul style="list-style-type: none"> •To have tie ups with prestigious National & International Universities •To enhance research projects among students and staff at par with global standards •To achieve 100% result in all streams •To prepare competent paramedical professionals 	<ul style="list-style-type: none"> •Students from diversified backgrounds. •Well educated, proficient Faculties and supportive staff. •Mandatory Forensic Laboratory Training in undergraduate studies. •Adequate library facilities. •ICT facilitated Classes. 	<ul style="list-style-type: none"> •Multiple student scholarships and awards are available to support graduate Students. •The department is strongly student centered and focused. •A strong focus on quality teaching with a faculty that excels in teaching students at all level.
