Teerthanker Mahaveer University, One of the Best Private Universities in UP, established by an 'Act' (No. 30) of 2008 of the Government of Uttar Pradesh, approved by the University Grants Commission (UGC) in 2008 Under Section 2(f) & 12(B) of the UGC Act, 1956. On National Highway 9, 144 Km from New Delhi, TMU stands committed to the ideals of Lord Mahaveer - Right Philosophy, Right Knowledge and Right Conduct in all spheres of activity and aspires to be the ultimate destination for world-class education. As a multi-disciplinary varsity, we offer career-oriented programmes at all levels, i.e., UG, PG, and Doctoral degrees across diverse streams Medical, Dental, Pharmacy, Nursing, Paramedical Sciences, Physiotherapy, Hospital Administration, Physical Education, Management, Engineering, Polytechnic, Law, Fine Arts, Agriculture and Jain Studies to meet rising aspirations of the youth. TMU provides a unique environment for students to grow under the guidance of experienced academicians and acquire the creative and technical skills demanded to make them industry ready. Our brilliant faculty and staff form a dedicated team committed to the mission of the University. Being a dynamic, research-oriented University devoted to developing life-saving discoveries to address some of the most pressing global challenges.

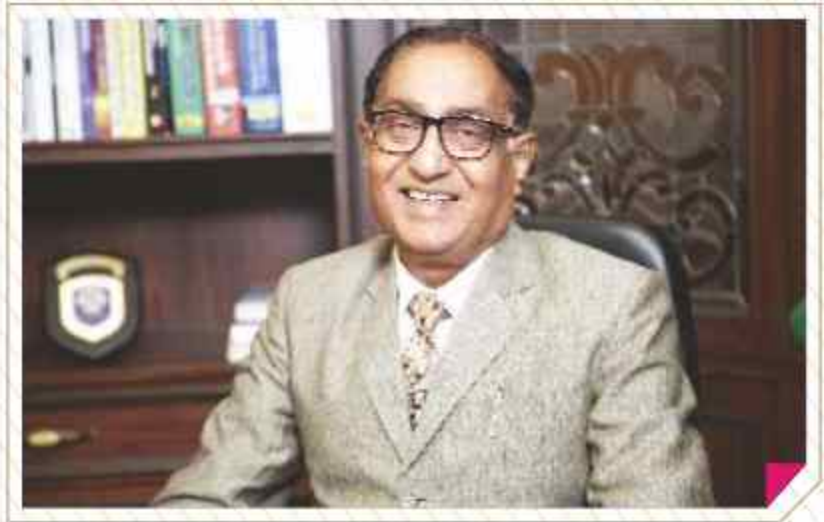

Education at TMU is not just about books and classrooms, but also about personality development and honing special skills. We provide an environment conducive to teaching and learning supported by innovative practices. Being a best private university, we have state-of-the-art laboratories and research facilities, well-planned residential space, and an excellent ecosystem for extra-curricular activities. The campus is wi-fi enabled thus uses advanced technology to impart education. Due to the availability of these essential building blocks, TMU is in a unique position to support the development of students in such a way that they gain lifelong learning skills and become competent professionals

The campus has the uniqueness of many majestic buildings, large lawns, well maintained playgrounds alongwith supporting facilities. It has been planned, designed and constructed to address broader issues that relate to resource and energy conservation. Concepts such as rain water harvesting, sewage treatment, development of water bodies, green parks and pathways, plantations and use of solar energy have been applied. Facilities such as air-conditioned lecture theaters, language labs, Wi-Fi connectivity, well stocked libraries with access to e-journals, advance computer centres, modern and well-equipped laboratories, ultramodern auditorium, contemporary seminar halls, community centres, open air theaters, indoor & outdoor sports complex and recreation facilities provide distinct advantage in creation and dissemination of knowledge.

FROM THE DESK OF CHANCELLOR

"The University stands for humanism, tolerance, reason, adventure of ideas and the search of truth."

Dear Students,

Dear Students, I am pleased to welcome you to Teerthanker Mahaveer University and want to share the exciting opportunities that await you as you embark on your academic journey.

TMU focuses to showcase that education needs to be a transformative in alignment with the industry to ensure appropriate grooming of the professional leaders. We aim to equip our students to expand their horizons, experiment their ideas and develop their creative thinking and tap onto innovative solutions for everything.

One of the critical elements of our educational philosophy is our emphasis on experiential learning. Hands-on experience is the best teacher and we ensure that they actively participate in experiential learning. Whether through internships, co-op programs, research projects, or service-learning opportunities, our students can apply what they've learnt in the classroom to real-life situations and develop their skills and confidence to succeed and innovate. We also understand the importance of preparing our students for a rapidly changing job market. Hence we offer a wide range of specialized programs tailored to meet today's employers' needs. We are lucky to have remarkable

faculty members who are experts in their fields, and who are able to bring a wealth of knowledge and experience to the classroom. They work closely with our students to ensure that they are well-prepared for the challenges of the modern workplace and to help them develop the skills they need to succeed.

Our commitment to creating a supportive and inclusive community is the most important thing that sets our university apart. We strongly believe that every student is unique and has the potential to succeed, and we are dedicated to providing the resources and support they need to reach their goals. From our dedicated faculty and staff to our comprehensive academic and personal support services to our vibrant campus life, we are here to help our students every step of the way.

So, if you're looking for a university that will transform and prepare you for success, look no further. TMU is the perfect place to start your journey, and we look forward to welcoming you into our community.

Sincerely

Suresh Jain
Chancellor

FROM THE DESK OF VICE CHANCELLOR

"Education is the beacon that illuminates the path to enrich minds, empower individuals, and ignite the flames of positive change in the Society."

As the Vice Chancellor of Teerthanker Mahaveer University, it is my distinct honor to address you through this message, encapsulating the spirit and ethos of the University as we embark on another exciting journey of talent exploration and placement. Teerthanker Mahaveer University (TMU), nestled in the culturally rich city of Moradabad, Uttar Pradesh, stands as a beacon of academic excellence and holistic development, ever since its inception in 2008. With a strong roots in the ideals of Lord Mahaveer; Samyak Darshan (Right Faith), Samyak Gyan (Right Knowledge) and Samyak Charitra (Right Conduct), TMU, a sprawling, picturesque campus spread over 140 acres, providing a serene and conducive environment for learning and growth, is a testament to the vision and dedication of its founders to create an ultimate destination for world class education that transcends boundaries and transforms lives. By instilling values of compassion, empathy, and ethical leadership, TMU strives to nurture responsible citizens who are equipped to contribute positively to the world. At TMU, we aspire to empower individuals to reach their fullest potential and drive positive societal change. Guided by principles of excellence and integrity, we foster an environment where learning goes beyond boundaries, transforming lives. Through hands-on projects, internships, and community outreach, we nurture creativity, critical thinking, and social responsibility in our students.

I extend my heartfelt congratulations to the students for their academic journey thus far. They stand on the threshold of a world brimming with opportunities, and it is our earnest endeavor to equip them with the skills, values, and confidence to navigate this world. As they prepare to take their first step into the professional realm, they must remember that they carry

with them the indelible mark of a Teerthanker Mahaveer graduate—a mark of excellence, resilience, and compassion.

I express my deepest appreciation to Directors/Principals/HoDs & faculty members for their unwavering commitment to academic excellence and student success. Their tireless efforts and dedication of the faculty members have been inspiring generations of learners to dream big and achieve their aspirations. Special mention and applause for TMU's Corporate Resource Centre (CRC) working tirelessly to connect students with prospective employers, providing career guidance, skill development, and networking opportunities to enhance their employability and career prospects. I extend a warm invitation to the recruiters to partner with us in our placement endeavors. Our students represent the epitome of talent and potential, nurtured through a rigorous academic curriculum, industry exposure, and holistic development initiatives. By joining hands with us, the recruiters not only gain access to exceptional talent but also become part of a larger mission to shape the future workforce and drive meaningful change in the world.

Concluding this message, I'd like to echo the timeless wisdom of Alfred Tennyson's Ulysses: "To strive, to seek, to find, and not yield." This quote resonates deeply with our ethos at TMU, serving as a steadfast guiding principle that propels us forward in our relentless pursuit of excellence and knowledge. Be the part of a transformative journey at Teerthanker Mahaveer University, Moradabad where dreams take flight, potentials are realized, and futures are shaped!

Prof. (Dr) V K Jain
Vice Chancellor
Teerthanker Mahaveer University

FROM THE DESK OF DEAN ACADEMICS

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today."

- Malcolm X

Teerthanker Mahaveer University, established in 2008 with a commitment to providing quality education across various disciplines, stands as a beacon of knowledge and innovation to nurturing future leaders, scholars, and professionals who are equipped to make significant contributions to society and the world at large. At TMU, we take immense pride in our commitment to academic excellence and holistic development. As the Dean of Academics, it gives me great pleasure to witness our students' journey towards becoming industry-ready professionals.

Our rigorous academic curriculum, complemented by practical learning experiences and industry collaborations, ensures that our graduates are well-equipped to thrive in today's dynamic job market. We foster a culture of innovation, critical thinking, and ethical leadership, preparing our students to tackle real-world challenges with confidence and integrity.

We firmly believe that in the grand tapestry of society, education provides the threads, and placement weaves the fabric of opportunity, equality, and progress. A well-placed individual becomes a catalyst for positive change, driving innovation, progress, and prosperity within their community and beyond. Our dedicated Corporate Resource Centre (CRC) advocates that placement isn't just about filling positions; it's about matching talent with opportunity, creating pathways for individuals to contribute meaningfully to society. Henceforth, CRC works tirelessly to connect our talented pool of students with leading organizations across various sectors. Through career counselling, skill development workshops, and networking opportunities, we empower our students to pursue their

professional aspirations and achieve success in their chosen fields.

As you peruse our placement brochure, I invite you to discover the diverse talents and capabilities of our students. I am confident that you will find them to be valuable assets to your organization, bringing fresh perspectives, enthusiasm, and a strong foundation of knowledge.

Thank you for considering Teerthanker Mahaveer University for your recruitment needs. Together, let's shape the future of our workforce and create impactful opportunities for our students.

Warm Regards,

Prof. Manjula Jain
Dean-Academic Affairs

FROM THE DESK OF CORPORATE RESOURCE CENTRE (CRC)

TMU with its very famous tag line ensures to bring out the best in 'U' through TMU.

Placement Process Flow

9 STAGE PLACEMENT PROCESS

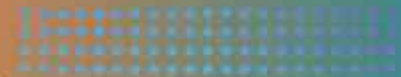

Placement Protocol

- The Placement Session begins in the month of July/ August each year and continues till June of the following year.
- Invitations with the relevant information are sent to the various organizations by the Placement Cell thru mails and personal visits to esteemed companies.
- CRC TMU is a Single Point of Contact (SPOC) for all career services including internships, industry visits, summer placements & final placements for all students of the university.
- The details of the Job Description are made available online to the students along with the other information through notices and online mediums.
- Interested and eligible students (as per the criteria specified by the company) show their willingness to appear in the recruitment process of the organization by registering with the CRC TMU prescribed forms and also through dashboard via ERP login of the university.
- The verified database of all such students is shared with the organization through the office of CRC TMU.
- During campus recruitment (Virtual & Physical mode) we conduct pre placement talks, assessment tests, GDs, personal interviews etc.
- As final result, the company declares the list of the final offers either on-campus or through e-mail to all students and CRC office.
- The Training and Placement Cell also coordinates the signing of offers letters by the students who have been selected, and guides them to proceed for joining formalities.

CRC TMU Rules and Regulations For Students

A. Eligibility & Registrations

1. All students who expect to graduate or post graduate from the University by the end of the academic year 2022-23 & 2023-24 and seeking employment must register for campus placements at student's portal on TMU ERP and also by filling Google Form along with their resume. Placement Registration is mandatory for all interested students.
2. Campus placement is a facility provided for the students. Registration is not compulsory. Students not interested in placement and are deciding to pursue other career paths are advised not to register for placement.
3. Students who have graduated in previous academic year, but not placed due to various genuine reasons, are also permitted to register and apply for companies as per their eligibility.
4. During induction, most of the companies insist on Passport and Pan card. Therefore the students are guided to apply for the same at the earliest.
5. Students may have to manage with their own travelling arrangements to return home and are advised to inform their parents well in advance on day of campus drive.
6. Based on the directions given by the companies, students may be sent to attend pooled campus placement drives in other colleges. Students should inform their parents about the placement process, venue, and timings in advance.
7. Students attending campus interviews should adhere to the following instructions.
 - (a) Report at the venue of pre-placement talks and interview as per the instructions.
 - (b) Students should carry minimum 5 copies of their resume, photocopies of all Original certificates, 5 pass port size photographs.
 - (c) Any student in casual dress will not be allowed for the PPT/Recruitment Process. Wearing uniform during campus placement drive is mandatory.
8. CRC TMU aims to provide placement assistance for all final year students. Placement is a privilege extended to the students but can't be claimed as a matter of right.
9. Students are advised to read the job description announced through notices and must study company's website and go through the student login and apply only if eligible and interested.
10. The details of the resume must be genuine and any student found violating this rule will be disallowed from the placement for the rest of the academic year.
11. Students have to fill and submit their resume on the TMU website thru student login to apply for companies drive within deadlines.
12. Resume once submitted cannot be modified.
13. DEADLINES WILL NOT BE EXTENDED UNDER ANY CIRCUM STANCE.
14. Students are advised to avoid last minute applying as it may lead to delay and some may even be left out.

B. Pre-Placement Preparation

1. Notices of the placement drives will be published on the TMU website and on notice boards well in advance. Students should keep themselves updated and occupy the venue 15-minutes before the scheduled start of the drive.
2. Students interested in a particular company, must know about the company and its working environment.
3. Attendance will be taken and only those students who have applied for a particular company will be eligible to appear for drive.
4. Students must go through the complete selection process of a particular company, once their application is submitted and prepare accordingly.
5. During Induction, most of the companies insist on Passport and PAN card. So, the students are expected to apply for the same at the earliest.
6. Students may have to manage with their own transport arrangements to return home and inform their parents well in advance, if the proceedings on the date of interview continue till the late evening.
7. Any clarification regarding salary break-up, job profile, place of work, bond details etc. must be sought from the companies during Pre placement Talks (PPT).

SOPRA STERIA

We have been recruiting from Teerthanker Mahaveer University for couple of years now and the students at this University match with the very best in India. This is clearly seen in the nos. we interview and those who are finally selected. Their calibre is also amply demonstrated by high quality of delivery by those who have been selected with Sopra Steria.

Students at Teerthanker Mahaveer University are hard-working and shown the huge interest in the opportunity provided at our platform, we wish them to keep learning and growing. Management and Corporate Resource Centre is quite supportive in organising the smooth drive; we love to come back to Teerthanker Mahaveer University to pick great talents.

Saumya Srivastava
Head - HR
REMOTESTATE

I find that Teerthanker Mahaveer University students are adaptable and are eager to adjust to the environment, the company appreciate all the effort the University takes to make the students ready for the corporate world. Our regular interactions with the Placement Officer and feedback sessions have always helped in bridging the gap between our firm and TMU. Look forward to continuing our relationship with them for long.

Managing Director
ECO-ENERGIES PVT. LTD.

We were highly impressed with the professionalism exhibited by TMU faculty and the students during the entire process of Campus Placement. The overall mental caliber of students has been very good with excellent potential to develop the business leaders. The maturity of the students, knowledge, confidence and overall personality has been excellent and surpassed our expectations.

Sonam Sharma
Sr. Talent Acquisition

I am so excited to attend the campus drive at Teerthanker Mahaveer University, Moradabad. It's great opportunity to meet and interact with bright and ambitious young students. We appreciate the hard work of team CRC to organizing the campus event. Without their dedication, the event wouldn't have been successful.
